

TESTING COUNCIL

Function of the Testing Council

The Testing Council is responsible for researching and recommending to the College, in collaboration with the Assistant Director of the Center for New Student Engagement and Testing (CNSET), the appropriate standardized and computerized nationally-normed academic, certification and assessment instruments. It is also obligated to review current policies and procedures of existing tests and to recommend new testing policies and procedures, including but not limited to fees, structure, programs, college cut-off scores, and procedures followed at each campus and/or site. Council members are charged with the responsibility of informing their departments and other divisions of the College regarding the various tests currently offered.
