

CREDIT FOR PRIOR LEARNING (NON-TRADITIONAL CREDIT)

Delgado Community College may award college credit for knowledge gained through private study and/or work experience. *These credits are typically referred to as [prior learning \(non-traditional\) credits](#) and also include the award of credit for non-credit coursework.*

The types of prior learning (non-traditional) credit available at Delgado are [Advanced Placement](#), [College Board Advanced Placement Credit](#), [College Level Examination Program \(CLEP\)](#), [Credit Examinations](#), [Life Experience Assessment Program \(LEAP\)](#), [Industry-Based Certification Credit](#), [Military Credits](#), [Technical College Credit](#), [Correspondence Credits](#), Credit for Non-Credit Coursework (through [LEAP](#) and/or [Credit Examinations](#)), and [Prior Learning \(Non-Traditional\) Credits from Other Institutions](#).

Specific policies and procedures have been established for the granting of college credit for prior learning (from non-traditional sources):

1. A student must be enrolled in a degree-seeking program beyond the official 14th day of enrollment in order to request prior learning (non-traditional) credit. Credits may be requested only for courses that are offered by Delgado.
2. The prior learning (non-traditional) credit granting process must be requested and completed by the midterm of the semester in which it has been requested.
3. Only three (3) prior learning (non-traditional) credit hours may be earned after the student enrolls for any of the final 12 hours of credit toward a degree or certificate.
4. Semester hours of credit earned through prior learning (non-traditional sources) are assigned a grade of "P." No quality points are earned, and such credit is not added into the student's grade point average. Prior learning (non-traditional) credits are identified on the student's transcript as credit granted through prior learning (non-traditional sources).
5. A maximum of 24 semester credit hours may be awarded from prior learning (non-traditional sources).
6. Prior learning (non-traditional) credit cannot be awarded in a course that a student has previously completed or enrolled in at any college (excluding coursework completed before Academic Amnesty is declared for which the student earned a grade of "C" or higher).
7. No more than one-third of credits needed in Required Major Courses (those courses which require a minimum grade of "C") may be obtained from prior learning (non-traditional sources).

8. Students who plan to use credit from prior learning (non-traditional sources) to meet the degree requirements of other institutions should check the requirements of the receiving institution, as this type of credit is often re-evaluated by the receiving institution.
