

CURRICULUM COMMITTEE MEETING

Friday, March 10, 2006 - 2:00 p.m.

City Park Campus – Lac Maurepas (Building 23, Second Floor)

AGENDA

- I. Call to Order
- II. Roll Call
- III. Minutes of meeting of February 17, 2006
- IV. Debbie Lea's Report
- V. New Business
 - a) **Business and Technology/Business, Technology, & Mathematics/MANG**
Course Revision: HOST 221 Hospitality Marketing. Addition of HOST 221 Hospitality Marketing to the list of approved elective courses for the Marketing concentration in the Management Program.
 - b) **Business and Technology/Business, Technology, & Mathematics/MANG**
New Course: MANG 215 Management Information Systems. Creation of a new course, MANG 215 Management Information Systems that focuses on business and managerial factors of implementing and using an information system.
 - c) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix: Change CMIN 131 Photo Editing for Windows to ADOT 131 Photo Editing for Windows to better reflect the nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Discipline.
 - d) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix: Change CMIN 135 Illustration Software to ADOT 135 Illustration Software to better reflect the nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Discipline.
 - e) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix: Change CMIN 141 Fundamentals of Desktop Publishing to ADOT 141 Fundamentals of Desktop Publishing to better reflect the nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Discipline.
 - f) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix: Change CMIN 205 Advanced Word Processing to ADOT 205 Advanced Word Processing to better reflect the nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Discipline.

- g) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix: Change CMIN 208 Presentation Software to ADOT 208 Presentation Software to better reflect the nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Discipline.
- h) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix: Change CMIN 264 Database Applications to ADOT 264 Database Applications to better reflect the nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Discipline.
- i) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix: Change CMIN 265 Spreadsheet Applications to ADOT 265 Spreadsheet Applications to better reflect the nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Discipline.
- j) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix: Change CMIN 268 Advanced Spreadsheet Applications to ADOT 268 Advanced Spreadsheet Applications to better reflect the nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Discipline.
- k) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix and Course Number: Change CMIN 202 Survey of Computer Applications to ADOT 105 Survey of Computer Applications to better reflect the true nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Program; additionally, the course is introductory in nature designed to prepare students for advanced courses in office applications.
- l) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Change of Course Prefix and Course Number: Change CMIN 104 to ADOT 106 to better reflect the true nature of the course and its placement in the Administrative Office Technology Discipline rather than the Computer Information Technology Discipline; additionally, the course number is being changed as a same number course is already designated with the ADOT prefix.
- m) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Course Revision: ADOT 205 Advanced Word Processing. Addition of a prerequisite requirement to ADOT 205 Advanced Word Processing. Prerequisite: ADOT 106 Word Processing.
- n) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Course Revision: ADOT 208 Presentation Software. Addition of a prerequisite requirement to ADOT 208 Presentation Software. Prerequisite: ADOT 105 Survey of Computer Applications.
- o) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Course Revision: ADOT 265 Spreadsheet Applications. Addition of a prerequisite requirement to ADOT 265 Spreadsheet Applications. Prerequisite: ADOT 105 Survey of Computer Applications.

- p) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Course Revision: ADOT 264 Database Applications. Addition of a prerequisite requirement to ADOT 264 Database Applications. Prerequisite: ADOT 105 Survey of Computer Applications.
- q) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Course Deletion: CMIN 201 Computer Literacy. Delete CMIN 201 Computer Literacy from Required Courses in Major for the Administrative Office Technology program.
- r) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Program Revision: Add ADOT 105 Survey of Computer Applications to Required Courses in Major for the Administrative Office Technology Program. ADOT 105 will replace CMIN 201 as the ADOT program focuses more on knowledge and skills in office applications.
- s) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Program Revision: Add ADOT 208 Presentation Software to Required Courses in Major for the Administrative Office Technology Program. ADOT 208 satisfies requirements of the International Association of Administrative Professionals.
- t) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Program Revision: Add ADOT 264 Database Applications to Required Related Courses in the Administrative Office Technology Program. ADOT 264 satisfies requirements of the International Association of Administrative Professionals.
- u) **Business and Technology/Business, Technology, & Mathematics/ADOT**
Program Revision: Change Approved Electives in the Administrative Office Technology Program from nine (9) hours to six (6) hours. Add BUSG prefix to listing of Approved Electives. Delete Free Elective from the curriculum. Total program hours remain the same by adopting these revisions.
- v) **Business and Technology/Business, Technology, & Mathematics/CMIN**
New Course: CMIN 203 Logic and Design. This course is designed to introduce students to the logic and design of programming techniques and tools. In addition, the course will aid students in writing good programming code.
- w) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Program Revision: Add CMIN 203 Logic and Design to Required Courses in Major for the Computer Information Technology Program.
- x) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Program Revision: Delete Free Elective from the CMIN program. The Free Elective is replaced with CMIN 203 Logic and Design. Total program hours remain the same.
- y) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Course Title Change: Change the title of CMIN 250 Introduction to Internet/JAVA Programming to CMIN 250 Introduction to JAVA to better reflect the true nature of the course.
- z) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Course Title Change: Change the title of CMIN 266 Advanced Database Applications to CMIN 266 Database Management Systems to better reflect the true nature of the course.
- aa) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Course Revision: CMIN 211 Visual Basic I. Addition of a prerequisite requirement to CMIN

211 Visual Basic I. Prerequisites: CMIN 203 Logic and Design and CMIN 201 Computer Literacy.

- bb) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Course Revision: CMIN 214 Introduction to C++. Addition of a prerequisite requirement to CMIN 214 Introduction to C++. Prerequisites: CMIN 203 Logic and Design and CMIN 201 Computer Literacy.
- cc) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Course Revision: CMIN 250 Introduction to JAVA. Addition of a prerequisite requirement to CMIN 250 Introduction to JAVA. Prerequisites: CMIN 203 Logic and Design and CMIN 201 Computer Literacy.
- dd) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Course Revision: CMIN 266 Database Management Systems. Addition of a prerequisite requirement to CMIN 266 Database Management Systems. Prerequisites: CMIN 203 Logic and Design, CMIN 201 Computer Literacy.
- ee) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Course Revision: CMIN 291 Systems Analysis Methods. Addition of prerequisite requirements to CMIN 291 Systems Analysis Methods. Prerequisites: CMIN 212 Visual Basic II and CMIN 250 Introduction to JAVA.
- ff) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Course Deletion: Delete CMIN 230 Application Program Development-COBOL I from the list of course descriptions in the College Catalog. This course is no longer used to fulfill requirements for the Computer Information Technology Program. The COBOL programming language is not vital in the greater New Orleans area.
- gg) **Business and Technology/Business, Technology, & Mathematics/CMIN**
Course Deletion: Delete CMIN 231 Application Program Development COBOL II for the list of course descriptions in the College Catalog. This course is no longer used to fulfill requirements for the Computer Information Technology Program. The COBOL programming language is not vital in the greater New Orleans area.
- hh) **Business and Technology/Business, Technology, & Mathematics/BUSL**
New Course: BUSL 220 Environmental Law and Policy. An introduction to environmental law with emphasis placed on the inter-relationships between federal, state, and local environmental regulations and requirements.
- ii) **Business and Technology/Business, Technology, & Mathematics/ACCT**
Course Title Change: Change the title of ACCT 214 Tax Accounting I to ACCT 214 Tax Accounting – Individuals to better reflect the nature and placement of the course in the Accounting Discipline.
- jj) **Business and Technology/Business, Technology, & Mathematics/ACCT**
Course Title Change: Change the title of ACCT 215 Tax Accounting II to ACCT 215 Tax Accounting – Corporations to better reflect the nature and placement of the course in the Accounting Discipline.
- kk) **Business and Technology/Business, Technology, & Mathematics/ACCT**
Course Revision: ACCT 215 Tax Accounting – Corporations. Change of pre-requisite

requirement for ACCT 215 Tax Accounting – Corporations. Pre-requisite: ACCT 201 Accounting I (remove ACCT 214 Tax Accounting – Individuals as pre-requisite requirement; ACCT 201 provides students with sufficient skills necessary for ACCT 215).

VI. Old Business

VII. Next Meeting: **March 31, 2006** (scheduled meeting)

VIII. Adjournment
