Direct deposit of net pay is a fast, safe, proven and free service provided to biweekly employees. In accordance with LCTCS Policy #6.004, [Mandatory Direct Deposit](#), employees of Delgado Community College are required to participate in direct deposit of net pay to his/her financial institution unless certain conditions exist to exempt the employee from this requirement. The requirement for direct deposit applies to all *biweekly* employees, including students and part-time hourly employees.

4. **Direct Deposit Authorization Process**

A. To ensure compliance with the direct deposit requirement, all biweekly employees are required to complete an [LCTCS Direct Deposit Enrollment Authorization Form](#). This form is provided to new employees during the orientation process.

- B. Human Resources reviews the authorization forms to ensure that the information is complete and accurate. Authorized human resources personnel are responsible for maintaining and updating the employee's direct deposit information in the Banner Human Resources system.
- C. Employees with currently authorized direct deposit of net pay who wish to change the financial institution, account number, or account type are responsible for submitting an updated [LCTCS Direct Deposit Enrollment Authorization Form](#) indicating the revisions desired to Human Resources.

Each employee is responsible for verifying the deposit has been made prior to expending the funds.
- F. Upon separation from the College, personnel transactions for ending employment assignments must be processed promptly to ensure that direct deposits of pay be terminated at the appropriate time.
