

How to Request Student Data by Major

1. The PDSISI93 job will produce a file with the following student data:

Name, DCC email, phone, division, major, degree, admissions code, student classification, resident status, concentration, address, city, state, zip, birth date, cumulative hours earned, cumulative quality hours, cumulative GPA, Higher Ed quality hours, Higher Ed quality points, Higher Ed GPA & High School code.

2. To request: Go to the OIT Help Desk and submit a request.
