## 2009-2010 Graduate Intent & Satisfaction Comments

Academic advisement needs lots of improvement. Hard to see a counselor and when you do, they don't help. No course plan. Classes are not offered when I need them.

Additional computer use on campus and in classrooms needed. Additional student parking space needed.

An all around good experience.

Book store price way too high

Charity need its own book store offering Nursing Books, at very inconvenient to have to come all the way to city park campus to get books and supplies and making us awful.

Charity needs parking facility to accommodate everyone.

Charity needs to totally re-ramp their curriculum. Tests close to impossible to pass. Not based on lecture & notes. Need some sort of credit for clinicals, not just 5 or 6 and credit(points) for the professional issues. No way to make any extra credit...

Charity school of nursing was a great experience. All the instructors are skilled in what they do.

Computer labs for computer networking NEED equipment. No one knows anything when you need something done and you get sent from place to place.

Cut out red tape.

Dealing with Fin. aid office was always difficult and sometimes employees were rude and put out to even help FACE TO FACE - were very helpful on the phone. Only a small # of books were available for Vet Tech programme when they knew there are always 2...

Delgado City Park Campus is very unorganized overall. I'm so glad that I'm finally graduating because I'm tired of dealing with this school's incompetence. Charity is much more organized and willing to seek answers to questions I may have. I was upse...

Delgado needs to be more involved with the Prince's('Sheetmetal'? unable to transcribe) Trust Apprentice Program or get out of it entirely. Leaving students to fend for themselves is unacceptable.

Delgado Northshore needs to get things better organized. The school is too small. Instructors seem unqualified. SURG Tech Program should not be offered on the Northshore. Employee attitudes are less than desirable.

Delgado was a great experience.

Delgado was a successful experience

Delgado's closed family atmosphere and people made me feel welcome and confident in completing my degree.

Every semester I had to jump through hoops to register for my courses - the reason given that the registrar "didn't have the necessary paper work" - even though I turned the SAME paperwork in 3X. Extremely unorganized, disappointing + a huge waste of time.

## 2009-2010 Graduate Intent & Satisfaction Comments

Financial aid has never been helpful. Out of the 3 years I have been attending Delgado I had problems w/ this department every semester, due to lack of communication. The employees were rude, not informative, & seemed to be incapable of performing.

Financial Aid office never answer the phones or call back when message is left. Its better more that they set up the 24hr help line.

For future students, Delgado's website should be accessible 24 hrs.

Get the teachers to use tegrity. It's VERY helpful.

Good Job Delgado

Good school.

Great school!

Great School!!!

Great teaching staff.

I am very satisfied with everything.

I did not like the parking on the Northshore.

I don't want to leave.

I finally made it. Thank you all and Goodbye!

I had a great overall experience at DCC

I had a wonderful experience as a student while attending Delgado Community College.

I have been treated very rudely by staff members of financial aid and registrar. I feel they are overwhelmed and tired of helping students.

I have enjoyed every experience I ever had here at DCC.

I only take classes online & I think Delgado does a great job offering them.

I really wish that more counseling was available for students. A lot of "counselors" seem as if they don't want to be bothered. Also more internships would have been nice.

I wish there was more parking.

I would like to see more communication with financial aid and students. Parking is a real problem at all campuses.

I'm proud of myself

I'm very satisfied. No comments to be made.

Instructors at charity school of nursing do not want to use Tegrity.

It was a pleasure, hope to be back soon for the surgical tech program. Thanks.

Legal Secretary program is not up-to-date and not very thorough. It will be difficult to find an entry-level position after graduation.

Less teacher parking spots and more yellow. Better financial aid services and people.

Love the WISE women's center!

## 2009-2010 Graduate Intent & Satisfaction Comments

Make Tegrity mandatory for all instructors to use! It's part of the technology fee we pay...Use it!

Make this entire process more convenient. Put it online.

More parking needed on WB

More student parking spots.

More student parkings.

My entire experience at Delgado has been extremely friendly, personal, and effective. Delgado Community College is indeed one of New Orleans's best-kept secrets.

My experience at Delgado has been great! I'm going to miss Delgado dearly.

My over all experience at DCC-city park was very life enriching, the only problem I ever had that was with my advisor.

My teachers within the Radiologic Technology program were wonderful and an overall excellent experience. My experiences outside of the depart. were very frustrating. Any time I needed to find out financial information concerning tops and my scholarshi...

My years at Delgado were great. I just have one suggestion. To have more classes available to the student who have to take night classes!

Not being able to print my Phys Scie power points for class was very discouraging.

Not Satisfied with my advisor!

Our teacher was incompetent, unprofessional and lacked basic construction knowledge. We had talked about this with the Delgado/LTC Rep., however our concerns fell on deaf ears. Grades were based on arbitrary "observations" and .....

Over all study was excellent, only complaint are online classes requiring students to appear once a week at a specific time for class. Kind avoids out the point of taking an online class.

Overall a good experience.

Overall I think that Delgado Community College is a good and safe learning environment for anyone to learn at.

Parking at the Slidell campus needs to be changed. First they wanted students to pay for a parking decal and then half the time we had to park in the back lot way behind the LA works center. Also, with the New Higher One Debit/Credit cards,

Parking is awful. There are more teacher spots than student spots. There are always a bunch of open teacher spots but the student section is ALWAYS full.

Parking options for charity students.

Pastry Art classes need some serious attention. Had I not already started here I would have left.

Some teachers (new) need to be guided and trained well

Technology was fine when they used it! Teacher should use Tegrity more.

## 2009-2010 Graduate Intent & Satisfaction Comments

Students not allowed to use major equipment in Architecture lab or CADD LAB. (Large Plotter) forced to go pay for printing even though equipment is in the classroom. Teacher always claims its "broken", even though it has never been used once.

Tegrity never worked properly

Thank you all at Delgado.

The FV's in the student life center were a waste of money.

The North shore classes need a better location & MORE parking.

The only thing I had a problem w/ was parking.

The parking or lack there of should be addressed. I think that no student that pays tuition should have to also BUY a parking sticker.

There is never enough parking in the front lot. The books are way too expensive and I could not resell one book because it was an old edition but it's the one my professor uses, which I did not really use.

There should be a way for teachers to let upcoming grad students take their finals early.

There should be more availability for certain courses. Having to wait an extra semester for a class to be offered, only makes us wait longer to graduate.

There should be more student parking closer to the buildings.

This is the most disorganized school I have ever attended.

This school has lots of problems particularly in the administration.

Use Tegrity for all classes @ Charity!!!

Very inadequate info.

Would be nice IF cafeteria was open later past 2:30 pm. Parking for faculty should be cut down to meet student overflow. More flexibility in both curriculum.

Would nice to see continuing steady improvements regarding departments, concerning financial aid, registration, keeping students from doing repetitious paperwork and able to receive adequate help that is available for students that seek and need it. ...
