#### Report Limitation

This data is furnished to us by the National Student Clearinghouse(NSC). From the NSC report, eighty percent of students were found and reported, the remained twenty percent reported either no response, or were blocked by the school or student. NSC can not provide attendance and completion data for colleges that do not report these data to the Clearinghouse. Colleges in Louisiana that do not report attendance and completion data to the Clearinghouse include: Capital Area Tech College-Baton Rouge, Southern University at New Orleans, Sowela Technical Community College, and Nunez Community College.

## Transfer Report

### Results

Overall 13% of students attending DCC transferred by Spring 2012, of which three percent graduated from their transfer institution.

Most transfer students transferred to UNO (26%), followed by Southeastern Louisiana University (12%), and then LSU (7%).

Note: SUNO is not represented.

Transfers to UNO and transfers to LSU had the highest number of graduates of all the transfer institutions in Louisiana, both with 13 graduates. Our Lady of The Lake College was third with 7 graduates.

Of all the programs at DCC, Pre-Nursing had most graduates with 21, followed by General Studies with 17. Of the 37 programs with transfers of more than 10 students, 9 programs had a greater than three percent graduation rate, 21 had zero graduation rate.

It should be noted that not all programs are designed for transfer. Nor can we be sure that the students continued their same major at the transfer institution.
