INCITE! Women of Color Against Violence

<http://inciteblog.wordpress.com>, www.incite-national.org
INCITE! is a national activist organization of radical feminists of color advancing a movement to end violence against women of color and our communities through direct action, critical dialogue, and grassroots organizing. INCITE! is made up of grassroots chapters and affiliates across the U.S., including the Women's Health & Justice Initiative and formerly the New Orleans Women's Health Clinic; a national collective that works to leverage this grassroots organizing on a national and trans-national platform; and thousands of members and supporters internationally. INCITE! works with groups of women of color and their communities to develop political projects that address the multiple forms of violence women of color experience in our lives, on our bodies, and in our communities.
