

COLLEGE-WIDE LACTATION SPACES

Locations to Assist Breastfeeding Students, Faculty, and Staff

The lactation space initiative provides breastfeeding support for nursing parents on Delgado campuses and sites. Our goal is to provide accessible and equitable spaces for parents on campus, whether you are a faculty or staff member, student, or campus guest.

Lactation spaces are used on a first-come, first-served basis. After you have used a lactation space, please feel free to provide any feedback about the space, by sending an email to the College's Title IX Coordinator at tsmoth@dcc.edu. It is our desire to ensure that the space is being utilized as intended in the following locations as listed below.

CITY PARK CAMPUS	School of Nursing Building 14, Room 1005
	Isaac Delgado Hall Building 1, Room 105
	Joey Georgusis Center for Children Building 5, Room 115
