

TRANSPORTATION ACCESS FEE

Effective Spring 2018 Semester, as authorized by LCTCS Policy #5.011 this fee is assessed to all Delgado students at \$75 each fall and spring semester, and at \$50 each summer session, not to exceed \$150 per individual, per academic year. Revenues generated are used to improve and maintain the College's overall transportation infrastructure for all modes of transportation to and from, as well as on all campuses and sites. This includes but is not limited to: College-sponsored on- and off-campus parking or transportation arrangements; construction, maintenance, and operation of parking lots and facilities; all on-campus modes of transportation such as sidewalks, bikes, and vehicles; lighting, parking lot, and walkway enhancements; security improvements and initiatives; and other related operational expenses. Payment of the fee entitles each student to one active vehicle registration on campus at no additional cost.
