4. **Mediation Procedures**

   **A. General Provisions**

   If a student complaint is of an academic nature with a faculty member in whose class the student is currently enrolled, the student has the option to follow the [Student Academic Complaint Procedure](#) within seven (7) workdays of the alleged incident. If the complaint is not resolved through the optional Student Academic Complaint Procedure or if the student chooses not to pursue the matter through the Student Academic Complaint Procedure, the student retains the option to proceed with the College process to follow.

   Unless the respondent is a faculty member in whose class the student is currently enrolled, a student who wishes to make a complaint through the College process, must within ten (10) workdays of the alleged incident complete an online **Student Complaint Form** (Attachment A). If at the time of the alleged incident, the respondent is a faculty member in whose class the student is enrolled, the complainant has until ten (10) workdays following the official end of that semester to submit an online **Student Complaint Form**.

   Within five (5) workdays of receiving a completed **Student Complaint Form**, the Vice Chancellor for Academic and Student Affairs’ designee contacts the complainant, to arrange a meeting/discussion to discuss the alleged incident. The complainant must respond within five (5) workdays of receiving the Vice Chancellor’s designee’s request to arrange the meeting/discussion or the complaint is dropped. If after discussing the complaint with the student, it is the opinion of the Vice Chancellor for Academic and Student Affairs’ designee that no violation of college policy has occurred, the Vice Chancellor for Academic and Student Affairs’ designee so informs the complainant and makes a written record of the discussion they had with the complainant. The complainant may accept the decision of the Vice Chancellor for Academic and Student Affairs’ designee or file a formal grievance using the procedures outlined in Section 5, which requires the complainant to file a **Student Grievance Form** within five (5) workdays of notification of the Vice Chancellor for Academic and Student Affairs (or designee)’s decision.

   If the Vice Chancellor for Academic and Student Affairs’ designee finds that a violation of college policy might have occurred, the Vice Chancellor for Academic and Student Affairs’ designee notifies the respondent and the respondent's supervisor in writing that a Student Complaint Form has been submitted. The Vice Chancellor for Academic and Student Affairs’ designee:
1. offers to:
   
   • hold a Mediation Conference during which the complainant has an opportunity to discuss their complaint with the respondent, the respondent’s supervisor, and the Vice Chancellor for Academic and Student Affairs’ designee. The Vice Chancellor for Academic and Student Affairs’ designee may serve as both the supervisor and mediator.; or
   
   • investigate the alleged incident and provide feedback to the complainant without holding a Mediation Conference;

2. if the incident is deemed a potentially serious violation of college policy, provides the complainant with a Student Grievance Form, Form 2530/003, (Attachment C); encourages the complainant to complete and return the form within five (5) workdays; and forwards it to the appropriate grievance committee.

3. if the incident involves a potential violation of Delgado Standards of Conduct, LCTCS Code of Conduct policy, or another college or system employee policy, the Vice Chancellor for Academic and Student Affairs or designee will report the incident to the Assistant Vice Chancellor for Human Resources or designee;

4. if the incident involves physical abuse/harm or threat thereof, or conduct that threatens or endangers the health and safety of any person, the Vice Chancellor for Academic and Student Affairs or designee will immediately report the incident to the Assistant Vice Chancellor for Human Resources or designee and to Campus Police.

If applicable, the Vice Chancellor for Academic and Student Affairs’ designee notifies the respondent and the respondent’s supervisor when an investigation is being conducted, as well as when a Student Grievance Form is submitted.

B. Mediation Conference

Within ten (10) days of meeting with the complainant, if the Vice Chancellor for Academic and Student Affairs’ designee has found that a violation of college policy might have occurred and the complainant accepts the offer of a Mediation Conference, the conference will be scheduled.
A Mediation Conference provides an opportunity for the complainant, respondent, respondent’s supervisor, and Vice Chancellor for Academic and Student Affairs’ designee to discuss and attempt to resolve the alleged incident without a Grievance Hearing. When the Vice Chancellor for Academic and Student Affairs’ designee has found that a violation might have occurred, and the respondent has accepted the offer of a Mediation Conference, the Vice Chancellor for Academic and Student Affairs’ designee establishes a day, time, and location for the conference. At least five (5) workdays prior to holding a Mediation Conference, the Vice Chancellor’s designee notifies, in writing, the complainant, respondent, and respondent’s supervisor of the day, time, and location of the conference, and provides the respondent and their supervisor with a copy of the Student Complaint Form, completed by the complainant.

If the respondent chooses not to attend the Mediation Conference, the Vice Chancellor for Academic and Student Affairs’ designee provides the complainant with a Student Grievance Form, notifies the complainant to complete and return the form within five (5) workdays of meeting with the Vice Chancellor’s designee, and forwards it to the appropriate grievance committee.

If the respondent chooses not to attend the Mediation Conference and chooses to respond in writing, the respondent uses Response to Student Complaint Form, Form 2530/002, (Attachment B). If the respondent chooses to attend the Mediation Conference, and the complaint is resolved to the satisfaction of the complainant, the Vice Chancellor for Academic and Student Affairs’ designee notes the outcome in the Vice Chancellor for Academic and Student Affairs’ designee files.

If during the Mediation Conference, the complaint cannot be resolved to the satisfaction of the complainant, the Vice Chancellor for Academic and Student Affairs’ designee informs the complainant of of their option to file a formal grievance following the procedures outlined in Section 5.

C. Mediation Without a Conference

The Vice Chancellor for Academic and Student Affairs’ designee follows the same procedures (and corresponding time line) as outlined above for a Mediation Conference, but will not hold a face-to-face conference between the complainant and respondent. In these situations, the complainant must complete an online Student Complaint Form (Attachment A) and the respondent is strongly encouraged to complete the Response to Student Complaint Form, Form 2530/002, (Attachment B). If the complaint cannot be resolved to the satisfaction of the complainant, the Vice Chancellor for Academic and Student Affairs’ designee informs the complainant of their option to file a formal grievance following procedures outlined in Section 5.
5. **Grievances**

A. **Referral to Student Grievance Committee**

If under Section 4 preceding:

1. the Vice Chancellor for Academic and Student Affairs’ designee has found that a serious violation of college policy might have occurred;

2. or if the complainant has chosen to bypass mediation;

3. or if the respondent has chosen not to attend a scheduled mediation conference; or

4. or if a complainant is not satisfied with the outcome of a Mediation Conference;

5. and if the complainant has completed and returned a [Student Grievance Form, Form 2530/003](#), (Attachment C) within five (5) workdays of 1 through 4 above to the Associate Vice Chancellor for Student Affairs;

• *Note: Only complaints, grievances, incidents, charges that were (at the time of the incident or submission of student complaint form) discussed by the respondent’s supervisor or Vice Chancellor for Academic and Student Affairs’ designee with the respondent and which were either acknowledged to have happened by the respondent or found to have occurred through the grievance process may be given to the grievance hearing committee.*

6. **Findings.** After hearing from all of those who appear and offer relevant testimony, the committee excuses all but its members and retires to consider the grievance. It determines a finding of “responsible” or “not responsible” based on the relevant written and oral evidence presented.

Within five (5) days of the hearing’s conclusion, the chair of the committee notifies, in writing, the Associate Vice Chancellor for Student Affairs of the committee’s findings.

The Associate Vice Chancellor for Student Affairs, within five (5) workdays of receiving the committee’s findings, communicates, in writing, the committee’s findings, Vice Chancellor for Academic and Student Affairs.

The Vice Chancellor for Academic and Student Affairs’ notification must also inform the complainant and the respondent of their right to appeal to the College Chancellor and the next steps in the appeal process. A copy of the communication is filed in the Student Complaint/ Grievance Files maintained by the Vice Chancellor for Academic and Student Affairs.

notified of the decision.

A copy of the College Chancellor’s ruling is filed in the Student Complaint/Grievance Files maintained by the Vice Chancellor for Academic and Student Affairs.

8. **Committee Composition**

The college-wide Student Grievance Committee is responsible for making policy recommendations regarding student grievances, and for ensuring that consistency in interpretation of these guidelines is maintained at all hearings. The Committee also serves as a pool of potential members for each hearing committee for a specific grievance. Each year the Vice Chancellor for Academic and Student Affairs appoints the [Student Grievance Committee](#), which consists of a pool of at least three faculty, two unclassified staff, and one student appointed from each campus or site with full-time faculty and staff.
