

CURRICULUM COMMITTEE MEETING

Friday, January 25, 2008 - 2:00 p.m.

City Park Campus – Lac Maurepas (Building 23, Second Floor)

AGENDA

- I. Call to Order
- II. Roll Call
- III. Minutes of meeting of November 9, 2007
- IV. Curriculum Operations Report – Tim Stamm
- V. New Business
 - a) **Business and Technology/CMIN**
Change of Prerequisite Requirements: CMIN-201: Computer and Internet Literacy. Modify the prerequisite requirement of CMIN-201: Computer and Internet Literacy to state: “Prerequisite: Eligibility for ENGL-101.” Currently, the course has no prerequisite requirement.
 - b) **Business and Technology/MANG**
Change of Course Prefix and Number: LOGT-101: Introduction to Logistics. Change the course prefix and number of LOGT-101: Introduction to Logistics from LOGT-101 to MANG-206; Logistics courses/programs are classified by the National Center for Education Statistics as “Logistics and Materials Management,” therefore, the MANG prefix is more appropriate for this course.
 - c) **Business and Technology/MANG**
Change of Course Prefix and Number: LOGT-110: Supply Chain Management. Change the course prefix and number of LOGT-110: Supply Chain Management from LOGT-110 to MANG-229; Logistics courses/programs are classified by the National Center for Education Statistics as “Logistics and Materials Management,” therefore, the MANG prefix is more appropriate for this course.
 - d) **Business and Technology/MANG**
Change of Course Prerequisite Requirement: MANG-229: Supply Chain Management. Modify the prerequisite requirements of MANG-229: Supply Chain Management to state “MANG-206: Introduction to Logistics; and MATH-118: Algebra for College Students.” Currently, the course has no prerequisite requirements.

- e) **Business and Technology/MANG**
Change of Course Prefix and Number: LOGT-115: Warehouse and Inventory Control. Change the course prefix and number of LOGT-115: Warehouse and Inventory Control from LOGT-115 to MANG-230; Logistics courses/programs are classified by the National Center for Education Statistics as “Logistics and Materials Management,” therefore, the MANG prefix is more appropriate for this course.
- f) **Business and Technology/MANG**
Change of Course Title: MANG-230: Warehouse and Inventory Control. Change the name of MANG-230 from Warehouse and Inventory Control to Warehouse and Inventory Management to accurately reflect the course content.
- g) **Business and Technology/MANG**
Change of Course Prerequisite Requirement: MANG-230: Warehouse and Inventory Management. Modify the prerequisite requirements of MANG-230: Warehouse and Inventory Management to state “MANG-206: Introduction to Logistics; and MATH-118: Algebra for College Students.” Currently, the course has no prerequisite requirements.
- h) **Business and Technology/MANG**
Change of Course Prefix and Number: LOGT-120: Transportation and Distribution. Change the course prefix and number of LOGT-120: Transportation and Distribution from LOGT-120 to MANG-208; Logistics courses/programs are classified by the National Center for Education Statistics as “Logistics and Materials Management,” therefore, the MANG prefix is more appropriate for this course.
- i) **Business and Technology/MANG**
Change of Course Title: MANG-208: Transportation and Distribution. Change the name of MANG-208 from Transportation and Distribution to Transportation Management to accurately reflect the course content.
- j) **Business and Technology/MANG**
Change of Course Prefix and Number: LOGT-125: Logistics Support Analysis. Change the course prefix and number of LOGT-125: Logistics Support Analysis from LOGT-125 to MANG-220; Logistics courses/programs are classified by the National Center for Education Statistics as “Logistics and Materials Management,” therefore, the MANG prefix is more appropriate for this course.
- k) **Business and Technology/MANG**
Change of Course Title: MANG-220: Logistics Support Analysis. Change the name of MANG-220 from Logistics Support Analysis to Introduction to Operations Management to accurately reflect the course content.

- l) **Business and Technology/MANG**
Change of Course Prerequisite Requirement: MANG-220: Introduction to Operation Management. Modify the prerequisite requirements of MANG-220: Introduction to Operations Management to state “MANG-206: Introduction to Logistics; and MATH-118: Algebra for College Students; and BUSG-224: Business Computer Applications or CMIN-201: Computer and Internet Literacy.” Currently, the course has no prerequisite requirements.
- m) **Business and Technology/MANG**
Change of Course Prefix and Number: LOGT-130: Production Planning and Cost Analysis. Change the course prefix and number of LOGT-130: Production Planning and Cost Analysis from LOGT-130 to MANG-265; Logistics courses/programs are classified by the National Center for Education Statistics as “Logistics and Materials Management,” therefore, the MANG prefix is more appropriate for this course.
- n) **Business and Technology/MANG**
Change of Course Prerequisite Requirement: MANG-265: Production Planning and Cost Analysis. Modify the prerequisite requirements of MANG-265: Production Planning and Cost Analysis to state “MANG-215: Management Information Systems; and MANG-221: Introduction to Operations Management; and MANG-228: Supply Chain Management; and MATH-120: Mathematics Survey with Applications or higher level Mathematics course.” Current prerequisite states “Eligibility for MATH-118.”
- o) **Business and Technology/MANG**
Program Revision: Certificate of Technical Studies in Logistics. Revise the curriculum for the Certificate of Technical Studies in Logistics. Add MANG-201: Principles of Management to Required Courses in Major; Add MANG-215: Management Information Systems to Required Courses in Major; Delete MANG-265: Production Planning and Cost Analysis from Courses Required in Major; Delete ADOT-264: Database Applications from Required Related Courses; Add MATH-118: Algebra for College Students to Required Related Courses; Delete ADOT-105: Survey of Computer Applications as a choice in Required Related Courses and replace with BUSG-224: Business Computer Applications. Revisions to program reflect advisory board input; the additional Mathematics and Management courses have been added to the curriculum to provide opportunities for student success in higher-level Logistics Management courses.

- p) **Business and Technology/MANG**
Program Revision: Associate of Applied Science in Business and Management. Addition of a concentration in Logistics Management to the proposed Associate of Applied Science in Business and Management degree program. The addition of this concentration will allow students completing the Certificate of Technical Studies in Logistics to continue toward attainment of an Associate degree, if desired; conversely, the Certificate of Technical Studies can serve as an exit point for the Associate of Applied Science degree program.
- q) **Business and Technology/MOVH**
Change of Program Concentration Title: Certificate of Technical Studies in Motor Vehicle Technology, Body & Fender Concentration. Change the name of the “Body & Fender” concentration in the Certificate of Technical Studies in Motor Vehicle Technology to “Collision Repair,” to more accurately reflect curricular content of the concentration.
- r) **Business and Technology/MOVH**
Program Revision: Associate of Applied Science in Motor Vehicle Technology. Revise the Associate of Applied Science in Motor Vehicle Technology degree program as follows: Delete COOP-133: Cooperative Education: Technology OR COOP-233: Cooperative Education: Technology OR COOP-236: Cooperative Education Technology. Replace with: “Any Cooperative Education: Technology courses for a total of 3 credit hours.” This will allow students to choose from the following courses: COOP-113, 213, 216 (1 credit hour each), COOP-131, 231, 234 (2 credit hours each), and COOP-133, 233, 236 (3 credit hours each).
- s) **Business and Technology/MOVH**
Change of Course Prerequisite Requirements: MOVH-153: Automotive Machine Shop. Modify the prerequisite requirement of MOVH-153: Automotive Machine Shop to state: “MOVH-103: Tools and Equipment OR Permission of Department Head.” Prerequisite currently states: “MOVH-103: Tools and Equipment.”
- t) **Business and Technology/MOVH**
Change of Course Prerequisite Requirements: MOVH-206: Fuel Systems. Modify the prerequisite requirement of MOVH-206: Fuel Systems to state: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines; AND MOVH-130: Fundamentals of Electricity; OR Permission of Department Head.” Prerequisite currently states: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines; AND MOVH-130: Fundamentals of Electricity”

- u) **Business and Technology/MOVH**
Change of Course Prerequisite Requirements: MOVH-211: Engine Reconditioning. Modify the prerequisite requirement of MOVH-211: Engine Reconditioning to state: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines; OR Permission of Department Head.” Prerequisite currently states: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines”
- v) **Business and Technology/MOVH**
Change of Course Prerequisite Requirements: MOVH-231: Motor Vehicle Electrical Systems. Modify the prerequisite requirement of MOVH-231: Motor Vehicle Electrical Systems to state: “MOVH-103: Tools and Equipment AND MOVH-105: Basic Engines; AND MOVH-130: Fundamentals of Electricity; OR Permission of Department Head.” Prerequisite currently states: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines; AND MOVH-130: Fundamentals of Electricity”
- w) **Business and Technology/MOVH**
Change of Course Prerequisite Requirements: MOVH-232: Ignition and Test Equipment. Modify the prerequisite requirement of MOVH-232: Ignition and Test Equipment to state: “MOVH-103: Tools and Equipment AND MOVH-105: Basic Engines; AND MOVH-130: Fundamentals of Electricity; OR Permission of Department Head.” Prerequisite currently states: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines; AND MOVH-130: Fundamentals of Electricity”
- x) **Business and Technology/MOVH**
Change of Course Prerequisite Requirements: MOVH-240: Standard Transmissions. Modify the prerequisite requirement of MOVH-240: Standard Transmissions to state: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines; OR Permission of Department Head.” Prerequisite currently states: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines”
- y) **Business and Technology/MOVH**
Change of Course Prerequisite Requirements: MOVH-244: Automatic Transmissions. Modify the prerequisite requirement of MOVH-244: Automatic Transmissions to state: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines; OR Permission of Department Head.” Prerequisite currently states: “MOVH-103: Tools and Equipment; AND MOVH-105: Basic Engines”

- z) **Business and Technology/MOVH**
Change of Course Prerequisite Requirements: MOVH-260: Auto Air Conditioning. Modify the prerequisite requirement of MOVH-260: Auto Air Conditioning to state: “MOVH-103: Tools and Equipment; AND MOVH-130: Fundamentals of Electricity; OR Permission of Department Head.” Prerequisite currently states: “MOVH-103: Tools and Equipment; AND MOVH-130: Fundamentals of Electricity”
- aa) **Business and Technology/CULA**
Revision of Program Description: Revise the program description for the Associate of Applied Science degree program in Culinary Arts to reflect the goals of the program and to meet requirements as set forth by the professional accreditation agency.
- bb) **Business and Technology/HOST**
Revision of Program Description: Revise the program description for the Associate of Applied Science degree program in Hospitality Management to reflect the goals of the program and to meet requirements as set forth by the professional accreditation agency.
- cc) **Allied Health/PTAP**
Change of Course Prerequisite Requirements: PTAP-216: Clinical Science IV. Delete the prerequisite requirement of PTAP-215: Clinical Science III from PTAP-216: Clinical Science IV. Concepts introduced in PTAP-216: Clinical Science IV may be learned independently, after completion, or in conjunction with those introduced in PTAP-215: Clinical Science III.
- dd) **Liberal Arts/SPAN**
Change of Course Prerequisite Requirements: SPAN-201: Intermediate Spanish I. Modify the prerequisite requirement of SPAN-201: Intermediate Spanish I to state: “SPAN-102: Elementary Spanish II.” Students need the fundamentals introduced in SPAN-101 and SPAN-102 to be successful in SPAN-201. Currently, the course has no prerequisite requirements.
- ee) **Liberal Arts/SPAN**
Change of Course Description: SPAN-201: Intermediate Spanish I. Change the course description of SPAN-201: Intermediate Spanish I to read “Same as SPAN-101 except at an intermediate level. Students will be expected to use more Spanish language in class. Introduces students to complex sentences. Native Spanish speakers must take SPAN-102 or SPAN-201 after consulting with the appropriate Foreign Language Advisor.” Current description: “Reviews fundamental skills of speaking, understanding, reading, writing. Introduces works of literature by major Spanish and Latin-American writers. Native Spanish speakers must take SPAN-102 or SPAN-201 after consulting with the appropriate Foreign Language Advisor.”

VI. Old Business

VII. Next Meeting February 15, 2008 (Scheduled Meeting)

VIII. Adjournment
