

GRAD Act Monitoring Report Scores given by Board of Regents

Spring 2011 – Year 1

Student Success	Articulation & Transfer	Workforce & Economic Development	Institutional Efficiency & Accountability	Section 5 Reporting Requirement	Annual Evaluation Designation
93%	107%	110%	100%	√	Green

An institution must score 80% on a section to pass. For Year 1 review, after the scoring process, the institution will be given the following annual evaluation designation (green, yellow, or red) based on the score for each Performance Objective.

An institution must pass the Student Success Objective to retain tuition authority and be eligible for autonomies for Year 2.

GREEN	YELLOW	ORANGE	RED
Institution has passed the Student Success Objective and two or three other GRAD Act performance objectives.	Institution has passed the Student Success Objective and only one other GRAD ACT performance objective.	Institution has passed only the Student Success Objective.	Institution has failed the Student Success Objective or has failed all performance objectives.
This allows the institution to retain tuition authority for the next academic year and makes the institution eligible for autonomies.	This allows the institution to retain tuition authority for the next academic year and makes the institution eligible for autonomies.	This allows the institution to retain tuition authority for the next academic year, but not eligible for autonomies.	The institution loses the ability to raise tuition in the next academic year or seek autonomies.
