INTERNAL/ DEPARTMENTAL POLICY AND PROCEDURE

TITLE: Tuition Increase / Fee Hardship Appeals

EFFECTIVE DATE: April 16, 2008

CANCELLATION: None

DIVISION: BUSINESS AND ADMINISTRATIVE AFFAIRS (BAA)

CATEGORY: Student Payables (G)

RESPONSIBLE

DEPARTMENT: Controller's Office

PROCEDURES & SPECIFIC INFORMATION

1. Purpose

To publish a process for student tuition/fee hardship appeals, when specified by legislation.

2. **Applicability**

This policy and its procedures apply to students who are pursuing tuition/fee hardship appeals in accordance with specified legislation.

3. Eligibility Requirements

- A. When legislation for a fee or tuition increase specifies that students may apply for tuition/fee hardship waivers, the College provides an opportunity for students to appeal the fee or tuition increase. *Tuition/fee hardship waivers are allowed for only when specified by legislation.*
- B. Students wishing to file an appeal must have completed a Free Application for Federal Student Aid (FAFSA). This federal financial aid process will determine individual student financial need. If the student receives grants, scholarships, and/or waivers in an amount that meets or exceed tuition, then the appeal will be closed. If the student has no eligibility for need-based aid, the appeal will be closed unless the student can document very unusual circumstances.

4. Criteria for Hardship Appeals

- A. The criteria the Hardship Appeals Committee, an ad hoc committee composed of Student Financial Assistance Office and Controller's Office representatives appointed by the Assistant Vice Chancellor/Controller, will use in making its determination will be based on the income and need tables or indexes as established by the federal financial aid assessment process. For example, factors such as the student's dependent or independent status, income, number of dependents, and number of enrolled credit hours, etc., will be considered.
- B. Specifically, students who wish to submit hardship appeals must:
 - Be a Louisiana resident;
 - Have already filed a FASFA and received an award letter from the Delgado Office of Financial Assistance;
 - Have registered for a minimum of 6 credit hours and paid at least 50% of the tuition, before submitting an appeal;
 - File the application for a waiver due to financial hardship by the official withdrawal date for the semester; and
 - Provide documentation of extenuating circumstances, as applicable.

5. **Procedures**

- A. Students who wish to apply for a hardship waiver of tuition/fees, when allowed for by specific legislation for the fee or tuition increase, must submit a <u>Tuition/Fee Hardship Appeals Form (Form 1412/002)</u> to the Controller's Office no later than the last official withdrawal date for the semester.
- B. Students must sign on the form indicating their understanding that:
 - 1. If a financial aid appeal is pending, it can delay or nullify processing of the appeals; and
 - Requests are processed only for students who have aid and/or other awards that
 do not cover the entire cost of tuition for students who do not receive aid, but have
 documented extenuating circumstances.
- C. Tuition/Fee Hardship Appeals Forms will be submitted to the Tuition Hardship Appeals Committee, an ad hoc committee composed of Student Financial Assistance Office and Controller's Office representatives appointed by the Assistant Vice Chancellor/Controller. The Committee will meet as needed and will render timely decision.
- D. If granted, the waiver is applied to student's account no earlier than after the official enrollment date of the applicable semester(s).
