Mr. Gaspard,

Per the Louisiana GRAD Act, Southeastern Louisiana University is required to submit a feedback report for our Community College partners, specifically "feedback to the Community College and technical college campuses on the performance of associate degree recipients enrolled at the institution." We currently do not have many transfer students with associate degrees (approximately 2-3 per year), but we do have a good number of transfer students from community colleges who have not earned an associates degree. Until such time that the Louisiana Transfer degrees begin bolstering our Associate Degree transfers, our feedback will be based on simply transfer students. These reports were sent out last year and although we did not receive feedback, we have modified the reports slightly for the 2009-2010 academic year. Please find attached both the 2008-2009 and 2009-2010 reports for your review. Please do not hesitate us if you feed the feedback should be augmented in some way. We truly appreciate the students that transfer in from your institution.

Sincerely,  
Jeffrey Temple
