

POLICY & PROCEDURES MEMORANDUM

TITLE:	DETERMINATION OF <i>COLLEGE CATALOG</i> FOR GRADUATION REQUIREMENTS
EFFECTIVE DATE:	February 19, 2013
CANCELLATION:	AA-1273.1A (4/4/95)
CATEGORY:	Academic (AA)

POLICY STATEMENT

Generally, Delgado students fulfill their graduation requirements utilizing either the (1) Entry College Catalog--the catalog in effect during the first semester of a student's latest unbroken enrollment period; or (2) Exit College Catalog--the catalog in effect during the semester in which a student intends to complete graduation requirements. Failure to attend a summer session does not constitute a break in enrollment.

For a student who changes majors, the entry *College Catalog* becomes the catalog in effect the semester in which the student changed to the current major during the student's latest unbroken enrollment period. The student who changes majors has the option of utilizing the new entry *College Catalog* or the exit *College Catalog*.

However, to fulfill graduation requirements, a student also has the option to request a change to any catalog that was in effect during his/her enrollment for up to five years prior to graduation, providing the degree, certificate, or technical diploma program has not been terminated and all remaining courses are still offered at the College. If a student requests a change in *College Catalog* under which the student may fulfill graduation requirements, the student must meet the requirements and follow the procedures outlined in this memorandum.
