Re: SGA Election results

I am privileged to send you this exciting news regarding the spring 2003 SGA Elections. Referendum #1 PASSED! It was a close vote, but we had an incredible amount of students participate in the election process. The students of the West Bank Campus have voted to build a Student Life Center by assessing a \$40 per semester (\$20 summer) fee effective fall 2003. Please see the attached copy of the official print out for your records. I am very eager to start working on this project in order to begin construction as soon as reasonably possible. Also, I wanted to inform you of the new 2003-2004 SGA officers: Elaine Ramsey – President, Zenobia Bottley – Vice President, Stephanie Zar – Secretary, and Sonyia Riley – Treasurer.
