(504) 671-5000

Fall 2015-Spring 2020

The College of Nursing and Allied Health at Our Lady of Holy Cross College (OLHCC) and the Department of Allied Health at Delgado Community College (DCC) have signed an agreement that establishes 2+2 program. This 2+2 program allows students who complete the courses prescribed in Delgado's Associate of Applied Science Degree in Respiratory Care Technology to transfer to OLHCC leading to a Bachelor of Science in Health Sciences Degree for Respiratory Therapists from Our Lady of Holy Cross College.

Introduction

The College of Nursing and Allied Health of Our Lady of Holy Cross College (OLHCC) and the Department of Allied Health of Delgado Community College (DCC) have signed an agreement renewal which allows students with an Associate of Science Degree in Cardiopulmonary Care Science to be admitted as juniors in the Nursing and Allied Health Department of Our Lady of Holy Cross College (OLHCC), provided they meet OLHCC's admission requirements. Credits earned at DCC will be transferred seamlessly to OLHCC in support of completion of the requirements for a Bachelor of Science in Health Sciences Degree for Respiratory Therapists at OLHCC. Both institutions are accredited by the Southern Association of Colleges and Schools and the Commission on Accreditation for Respiratory Care.

Program

DCC students will be granted admission to OLHCC to take courses toward completion of the clinical and didactic study component of the OLHCC Bachelor of Science in Health Sciences Degree for Respiratory Therapists Program, pending satisfaction of OLHCC admission requirements. Course requirements are described on page two of this document. OLHCC may require students to provide one or more written recommendations prior to acceptance.

The total number of credit hours required to complete a Bachelor of Science in Health Science Degree for Respiratory Therapists at OLHCC is 128 semester hours. Students can transfer up to 66 semester hours for degree credit from DCC to OLHCC. Thirty-two of those credit hours must include clinical courses in satisfaction of the clinical component of the Respiratory Care Program. (See page two)

DCC students will follow the requirements in the OLHCC Undergraduate Catalog in force at the time they entered DCC provided the Catalog is not over ten years old. There shall be no break in student enrollment over five years.

In order to graduate from OLHCC, students must complete at least 25% of the total number of credit hours within the degree program at OLHCC. Students must maintain a minimum grade-point average of 2.0 overall.

Prerequisites

Some courses in this program may require prerequisites. See the DCC and OLHCC Catalogs for further information.

Respiratory Care Technology Courses to be completed at Delgado

DCC Required Courses <i>Final Grade of "C" or higher required in all courses</i>		OLHCC Equivalent Courses	
BIOL 141 General Biology I BIOL 143 General Biology I Lab <i>(these are pre-requisite courses for the program)</i>	3 1	<i>Free Elective -</i> BIO 101 – General Biology	4
BIOL 251 Human Anatomy & Physiology I BIOL 253 Human Anatomy & Physiology I Lab	3 1	<i>Natural Science Elective –</i> BIO 351 Anatomy & Physiology I	4
BIOL 252 Human Anatomy & Physiology II BIOL 254 Human Anatomy & Physiology II Lab	3 1	<i>Natural Science Elective –</i> BIO 352 Anatomy & Physiology II	4
BIOL 211 Microbiology of Human Pathogens	3	<i>Free Elective -</i> BIO 370 – Microbiology*	3
CHEM 101 – Elementary Chemistry	3	<i>Free Elective -</i> CHE 141 – General Chemistry I*	3
ENGL 1010 English Composition I	3	ENG 101 English Composition I	3
Humanities Elective – Select one of the following courses: ENGL 205 - Introduction to Short Story and Novel; ENGL 206 - Introduction to Poetry and Drama; ENGL 211 - American Literature to 1865; ENGL 212 - American Literature after 1865; ENGL 221 - British Literature to 1798; ENGL 222 - British Literature after 1798; HIST 101 - Early Western Civilization; HIST 103 - World History I; HIST 105 - World History II; HIST 205 - American History to 1865; HIST 206 - American History after 1865; HIST 260 - Louisiana History; PHIL 101 - Introduction to Philosophy; PHIL 175 - Social Ethics; SPCH 130 - Fundamentals of Speech Communication	3	Will qualify for either a Fine Arts, Literature, Philosophy or Speech Elective	3
MATH 128 Explorations in College Algebra	3	MAT 105 College Algebra	3

Respiratory Care Clinical Experience	42	RRT Level Training	32
Total Hours at DCC	75	Total Hours towards OLHCC Degree	65

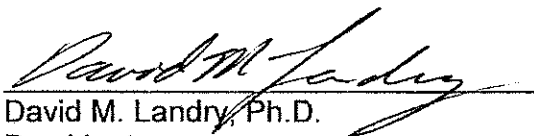

*Full 4 credit hours will not be given unless the lab is taken

Program Evaluation

Representatives of OLC and DCC agree to meet while the agreement is in effect to evaluate the performance of students who engage in clinical and didactic training at the DCC location. Communication initiated by either party may take place at any time during the agreement via in-person meetings, telephone or in writing.

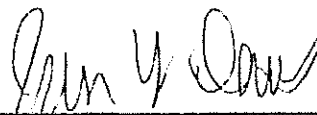

Program Renewal

This agreement shall be renewed every five years from the date of signing and will be continued, modified, or terminated upon mutual agreement of the parties. Termination of the agreement requires ninety-day notification; students enrolled at the time of termination will be allowed to complete the program.
