**POLICY STATEMENT**

Delgado Community College has established Student Government Associations that operate under a Constitution that is prepared by and for the campus/site and is approved by the Chancellor.

In accordance with [Louisiana Community and Technical College System Policy #2.005, Student Organizations and SGA](#), the Student Government Association (SGA) on the campus or site will be assigned a Faculty or Staff Advisor. The Advisor will serve as a liaison between the SGA and the College administration. The Director of Student Life will designate the Advisor with the approval of the Vice Chancellor for Student Affairs.

The Vice Chancellor for Student Affairs has overall responsibility for ensuring that the Student Government Association is administered in accordance with the policies of the Louisiana Community and Technical College System (LCTCS) Board of Supervisors and the guidelines of this memorandum.

**PROCEDURES & SPECIFIC INFORMATION**

1. **Purpose**

To establish policies and procedures for the coordination and approval of Student Government Association activities and the control and accountability of SGA funds and equipment.

2. **Scope and Applicability**

This policy and procedures memorandum applies to the Student Government Associations (SGAs) on the City Park Campus (includes Jefferson Site and Sidney Collier Site), West Bank Campus, Charity School of Nursing Campus, as well as any future locations.

3. **Background**

The mission of the Student Government Association is to provide vital co-curricular activities to enhance individual student development; promote social and recreational activities; promote participation in self-government; and promote the high standard of education at Delgado Community College. The administration of Delgado Community College recognizes the benefits to be derived by the student body and the institution from an active Student Government Association and encourages active participation by all students.

Delgado Community College, by vote of the student body and with the approval of the LCTCS Board of Supervisors, has established a self-assessment fee for the Fall Semester, Spring Semester, and the Summer Session as part of each student's registration costs. Both the City Park and the West Bank Campuses have additional Student Life Center Building self-assessment fees for the Fall and Spring Semesters and the Summer Session. The Charity School of Nursing also has an additional self-assessment fee for the Fall and Spring Semesters. The fee amounts are listed on Attachment A, "Fee Amounts and Budget Allocation of Student Self-Assessed Funds."

Because Student Government Associations are approved campus/site organizations, their activities come under the auspices of the College and necessary procedures and controls must be developed and implemented to ensure SGA functions and activities are in compliance with the policies of the LCTCS Board of Supervisors and statutory requirements of the State of Louisiana.

4. **SGA Membership**

All students of Delgado Community College who pay self-assessed fees are members of the Student Government Association. This membership permits students to participate in student-sponsored activities and other benefits financed by student activity fees.

5. **Election and Compensation of Officers**

A. **Election of Officers**

Each Spring Semester there will be an election of Student Government Association Officers. This election will be conducted by incumbent SGA Officers and supervised and coordinated by the SGA Advisor.

B. **Duties and Expectations of SGA Officers**

The duties of the SGA Officers are outlined in their respective Student Government Association constitutions. In addition, the Office of Student Life publishes the expectations of each office, operational procedures, and all other SGA requirements.

C. **Tuition Waivers and Wages for SGA Officers**

A waiver of in-state tuition exclusive of self-assessed fees will be granted for Fall and Spring Semesters to SGA Presidents, Vice Presidents, Secretaries, and Treasurers on City Park Campus (includes Jefferson Site and Sidney Collier Site), West Bank Campus, and Charity School of Nursing Campus. Out-of-state tuition, if deemed necessary, will be waived for the SGA President only.

Tuition waivers for each SGA will not exceed the costs of four full-time equivalent students and will remain in effect for the duration of the respective terms of office. (See Attachment B, [SGA Officer Tuition Waiver Agreement, Form 1471/001](#).)

In accordance with [Louisiana Community and Technical College System Policy #2.005, Student Organizations and SGA](#), elected SGA Officers may be paid for their services at a salary rate that must be 1) determined by the College's SGA, in collaboration with College leadership, and approved by the Vice Chancellor for Student Affairs or his/her designee, and 2) in alignment with the State of Louisiana's scale for student employees.

Elected SGA Officers may be paid for their services at an hourly rate in alignment with the State scale, with hours as follows:

President and Vice President:	80 hours maximum per month
Secretary:	80 hours maximum per month
Treasurer:	80 hours maximum per month

While running for office and if elected, (1) each President must be enrolled in and maintain at least 9 credit hours, (2) each Vice President, Secretary and Treasurer must be enrolled in and maintain the credit hour requirement stipulated by the respective SGA Constitution, (3) all SGA Officers must be in good academic standing and maintain the required cumulative and semester grade point average (G.P.A.) as deemed by the respective SGA Constitution. Executive Officers (i.e., President, Vice President, Secretary and Treasurer) must be degree-seeking and may not serve as officers more than two academic years.

Receipt of tuition waiver and salary by the above-listed SGA Officers shall be contingent upon performance of assigned duties and tasks as set out and defined in the respective SGA Constitution. The SGA Advisor will be expected to verify the hours worked by the SGA's Officers.

#### 6. **SGA Budget and Calendar of Events**

During the Spring Semester, the officers of each SGA, under the supervision of the SGA Advisors, will prepare the SGA Calendar of Events for the next academic year and the annual budget to support these activities. This proposed budget will be prepared on the budget forms used by the College for its budget and will be reviewed by the Director of Student Life prior to being presented to the SGA Senate for approval. Allocation of the budget's funds is established by vote of the student body with the approval of the LCTCS Board of Supervisors. The current budget allocation of funds is listed on Attachment A, "Fee Amounts and Budget Allocation of Student Self-Assessed Funds."

The budget may allow for (under Student Programs) emergency loans for textbooks and supplies to first-time students who are eligible to receive financial aid. Approval of the respective SGA Advisor is required. Once SGA Senate approval is gained, the budget is then submitted to the Vice Chancellor for Student Affairs. Once the SGA budget has been approved, the SGA Calendar of Events for the following academic year will be published on the College's website.

#### 7. **SGA Functions**

In accordance with the College's [On-Campus Events and Functions](#) policy, an [Internal Event/Function Request](#), Form 4310/001, should be completed at least two weeks prior to a planned event. This request will be initiated by the SGA President, approved by the SGA Advisor and the Office of Student Life, and presented to the Vice Chancellor for Student Affairs for final approval. In accordance with the College's [Alcoholic Beverages at Student Functions](#) policy, when alcoholic beverages will be served the Chancellor or his/her designee must grant final approval.
