

Articulation Agreement between Nunez Community College and Delgado Community College Instructional Programs:

**Associate of Applied Science in Veterinary Technology;
Associate of Applied Science in Respiratory Care Technology;
Associate of Applied Science in Process Technology; and
Associate of Applied Science in Aerospace Manufacturing Technology**

Purpose

Nunez Community College (Nunez) and Delgado Community College (DCC) have entered into this agreement establishing a transferable pathway for Nunez students to transfer coursework and complete an Associate of Applied Science in Veterinary Technology, Associate of Applied Science in Respiratory Technology or an Associate of Applied Science in Radiologic Technology and for DCC students to transfer coursework to complete Associate of Applied Science in Process Technology or Associate of Applied Science in Aerospace Manufacturing Technology. This Articulation Agreement provides students a clear outline for successfully completing the degrees above.

Program

Nunez students who complete coursework as defined in the attached chart may transfer the identified courses to DCC in AAS programs in **Veterinary Technology, Radiologic Technology, or Respiratory Technology**. DCC students who complete coursework as defined in the attached chart may transfer the identified courses to AAS programs in **Aerospace Manufacturing Technology or Process Technology**.

In cases of limited enrollment programs, students must meet the minimum requirements of the program and complete the application process as defined by the degree granting institution. Students must also meet all graduation requirements for the degree granting institution to successfully complete the AAS program.

Nunez students will follow the degree requirements in the DCC Catalog in force at the time they enter Nunez provided it is not older than Academic Year 2019-2020 and provided there was no break in enrollment for one regular semester (fall or spring) at Nunez, not including summer sessions. DCC students will follow the degree requirements in the Nunez Catalog in force at the time they enter DCC provided it is not older than Academic Year 2019-2020 and provided there was no break in enrollment for one regular semester (fall or spring) at Nunez, not including summer sessions. Students will be informed of any exceptions to this provision that may be mandated by external accreditation or licensing organizations. Nunez and DCC will work to minimize any negative effect on students.

Enrollment Management and Partnership

Some courses in this program may require prerequisites. See Nunez Catalog and DCC Catalog for specific requirements.

Nunez and DCC mutually agree to review and approve together all student recruitment materials and events pertaining to this Articulation Agreement. Nunez and Delgado will participate in joint recruitment activities that include but are not limited to campus visits and presentations, community outreach events, and on-campus orientations and program related events.

Nunez and Delgado further agree to encourage students to participate in cross-enrollment opportunities for courses that are uniquely offered at the institutions according to existing agreements.

See attached chart for courses included in this Articulation Agreement

Program Evaluation

This Articulation Agreement will be periodically evaluated to assure the quality of the pathway and courses. Once every three academic years, DCC faculty and staff and Nunez faculty and staff will review stated responsibilities, outcomes, and current curriculum. Any changes to the curriculum outlined in this agreement will be discussed prior to implementing the proposed changes.

Program Renewal

This agreement will be reviewed every three years from the date of signing and will be continued, modified or terminated upon mutual agreement of the parties. Either party may terminate this agreement upon six (6) months written notice to the other party.
