

DEPARTMENT CHAIR COUNCIL

Function of the Department Chair Council

The Department Chair Council is a college-wide planning and advisory group comprised of the Department Chairs of academic divisions across the College. The Department Chair Council:

1. In support of the one-college identity, provides a forum for Departments Chairs to address academic issues related to maintaining consistency in academic offerings, programs, policies, and practices across the College's campuses;
2. Makes recommendations to the Deans' Council related to academic policies and practices; and
3. Serves as an advisory group to the Deans' Council on matters pertaining to the responsibilities and scope of the Department Chairs.
