Student Employee Rights and Responsibilities

Note: A copy of this document will be forwarded to each department with each student employee's Student Employee Action Request form. The student employee and the supervisor must sign this form and it will be kept on file in the individual department:

1. Student employees are required to represent their assigned department and Delgado Community College in a professional manner.
2. If a student employee's work involves association with the public, he/she must demonstrate a positive and respectful attitude to all customers.
3. Confidentiality is of utmost importance. Supervisors will instruct student employees as to what is to be considered confidential within their respective offices. Student employees are not allowed to review confidential records unless it is in the course of their employment. Student employees who abuse this policy will have their employment instantly terminated and the case may be turned over to the Assistant Dean of Student Life or other campus designee for disciplinary action.
4. Student employees are responsible for ensuring that their individual time sheets are submitted to the Financial Assistance Office on time. It is the student's job to remind the supervisor to sign and return the time sheets.
5. Students are expected to report to work on time, cooperate with all college employees, and perform assigned tasks in a timely and efficient manner.
6. Student employees are expected to dress appropriately. Proper attire is determined by the supervisor, not Career Development; therefore, any questions should be directed to the supervisor.
7. Student employees are expected to submit a copy of their class schedule to their supervisor. Student employees cannot skip class to work; therefore students are not allowed to work at scheduled class time, even if that class is cancelled. If fraud is discovered, the student's employment may be terminated.
8. If a student employee must be absent from his/her job for any reason, it is his/her responsibility to notify the supervisor in advance of the absence. Supervisors understand that the employees are students first and employees second; however, a mutual respect must be displayed on the part of the student employee. Repeated, unexcused absences are sufficient grounds for termination.
9. If a student experiences difficulties with a supervisor or co-worker, it must be discussed with the appropriate dean, department head, or staff supervisor. If a solution cannot be reached, the employee can give notice to the supervisor and resign his/her position. At the time of resignation, the supervisor must forward the signed time sheet, along with the Delgado Community College Students Employee Action Request form to the Career Development Office. The employee will be paid in the normal payroll process for the time worked prior to the resignation.
10. Student employees who resign their positions due to an uncomfortable working situation have the right to request reassignment to another position. The request should be in the form of a letter addressed to the Placement Coordinator. If the request is approved and if a position is available, the student will be assigned the position on the first day of the following payroll period.

OFFICE OF STUDENT FINANCIAL ASSISTANCE
FEDERAL WORK STUDY
STUDENT RESPONSIBILITIES AGREEMENT

The student employee understands that any violation of the FERPA Law is grounds for permanent termination from the work-study program and could lead to dismissal from the College. <http://catalog.dcc.edu/content.php?catoid=18&navoid=2221#FERPA>

- The student employee must read this FWS Handbook and complete all required paperwork.
- The student employee must arrange a working schedule with the supervisor in the area to which he or she is assigned. The student should have a class schedule handy in order to develop his or her work schedule.
- The student employee must maintain and keep records of his/her regular work schedule, earnings, and earnings remaining to be worked.
- Once a work schedule has been established, the student must maintain that work schedule. If unable to do so, the student is responsible for notifying the supervisor and possibly arranging a new schedule.

The student must be dependable. Departments and offices rely on students to be at their jobs as scheduled.

- Students should be punctual. If a student is delayed in class, offer to make up the time.
- Students are paid only for hours worked. Therefore, it is important that students maintain their work schedules.

Students do not work when classes are cancelled, Delgado Community College is closed, during holidays, or some semester breaks. (Exceptions to working during semester breaks are handled appropriately through the Student Financial Aid Office.)

- Students should adhere to rules and regulations established for student employees in their particular area.
- Students should assist supervisors in completing the biweekly time sheets by the due date.
- FWS students should adhere to the employee dress code in their respective areas.
- Students must give adequate notice to their supervisor if they plan, for any reason, to terminate their Federal Work-Study job.
- Students must reapply each academic year for student financial aid.

PROFESSIONALISM

Students working at Delgado Community College in any of the departments should keep in mind that they are representatives of the College, and, as such, should act professionally and courteously at all times.

Student employees should strive to be punctual and should inform their supervisors in the event that they will be late for work or absent for any reason. Supervisors should also be told when students leave the work area for any reason. In addition, work-study students must refrain from using their personal cell phones during work hours.

OFFICE OF STUDENT FINANCIAL ASSISTANCE
FEDERAL WORK STUDY
STUDENT RESPONSIBILITIES AGREEMENT

1. The workplace is for working - it is NOT for visiting with friends. Errands should be completed quickly and efficiently.
2. If students complete assignments and are without work to do, they should seek out their supervisors for further assignments.
3. Students may study during the working hours ONLY IF THERE IS NO WORK TO BE DONE AND THE SUPERVISOR HAS GIVEN HIS/HER PERMISSION.

TELEPHONE USE

- One of the major responsibilities of student employees in many departments is the coverage of telephones. Telephones should be answered immediately and in the accepted fashion of the particular department involved. College telephones should not be used for personal calls.
- Student employees should speak clearly and politely and always have pen and paper ready to take down a message. The caller's name should be taken before a call is transferred, and, in case the caller is disconnected, students should mention the extension number to which the call is being forwarded.
- Students should always be helpful to callers and, if unable to respond to a problem, should attempt to forward the call to someone who might be able to help. Written telephone messages should include the date and time of the call, the caller's name and phone number, and any message given.
- The most reliable method for students to ensure that their behavior is both efficient and courteous is to place themselves in the caller's place and act in the professional manner befitting a representative of the college.

Remember that FWS students can never work more than eight (8) hours in one day and can never work during time they should be in class. Under NO circumstances can students work more than 20 hours per week. If as student works 4.5 hours in a consecutive period, he/she may take a 30 minute break without pay and then return back to work.

I have read and understand my responsibility as a work study student. If I don't abide by the rules, I may be terminated from work study. ***Students will not be paid for hours worked over their allotted hours.***

Comprehensive Safety Program Requirements for All Employees

Legislation establishing the Office of Risk Management (ORM) and the Loss Prevention (LP) Unit (R.S. 39:1543) calls for a comprehensive loss prevention program [“plan”] for implementation by all state agencies. These rules require Delgado Community College to implement an operational loss prevention plan to protect employees from injury. All state agencies and facilities shall be audited every 3 years by the Loss Prevention Unit concerning implementation of their loss prevention plan. During the non-audit years a compliance review shall be conducted by a Loss Prevention Officer.

Delgado is committed to providing a safe environment for students, employees, visitors, and persons using College facilities. A comprehensive safety program has been established to address the various threats to the safety of the College’s constituents. The College works in cooperation with appropriate federal, state and external agencies – in particular the State of Louisiana Office of Risk Management, which is responsible for coordination, implementation, and maintenance of safety and loss prevention programs within all State agencies. Furthermore, Delgado strives for adherence to and compliance with all safety-related laws and regulations.

As an employee of Delgado:

- You are required ***to complete several safety training modules within the first 30 days of hire and others at prescribed intervals of the first year of employment.***
- Because of the College’s current agency classification and ORM requirements, you are ***required to continue to complete monthly and annual safety training modules for the duration of your employment*** with the College.
- You will be presented with ***all training in an electronic format via email.***
- ***Failure to complete the designated training*** within the allotted timeframe ***may result in disciplinary action by the College.***

The College is committed to maintaining a safe working environment and complying with ORM standards and regulations. ***By signing below you are acknowledging that you have received and understand Delgado Community College’s Safety Program requirements.***

5. Maintain a neat environment. Store tools and equipment in a designated place as to not block walkways or create an unsafe condition. Place trash in its proper receptacle. Inspect tools and equipment before each use to ensure they are safe. Unsafe tools and equipment must be reported and replaced immediately.
6. Chemicals must be handled and stored as per its safety data sheet. Hazardous waste removal orders must be sent to the Delgado Safety and Risk Manager.
7. Theft or abuse of College property will not be tolerated.
8. Narcotics, illegal drugs, or unauthorized medically prescribed drugs shall not be used on campus. Employees taking medications containing narcotics must inform Human Resources before starting work so that a determination can be made if they must be allowed to work.
9. Smoking and vaping are not permitted on any Delgado property.
10. Fighting, horseplay, and practical jokes will not be tolerated in the workplace or classroom.
11. Except for police officers, weapons or firearms of any type will not be allowed on any Delgado facility.
12. Report any smoke, fire, or unusual odors to your supervisor immediately.
13. Always get a good night's rest. It is important that employees come to work rested and ready for work.
14. Maintain a good safety attitude. This is critical to the overall safety culture at Delgado Community College.
15. Be alert at all times and pay attention to what is going on at all times. Do not become complacent.
16. Do not hurry or take shortcuts. Employees are six times more likely to experience an accident or injury as a result of unsafe behaviors, such as taking shortcuts.
17. Follow all college Safety Policies and Rules. These are developed to protect the safety of each employee. Failure to follow safety rules may put an employee's safety at risk and other employees as well.

Employee Withholding Allowance Certificate **(W-4) Form**

“PAPER” W-4 FORM Version on the following pages.

TO DOWNLOAD “FILLABLE” W-4 FORM Version go to:

<https://www.irs.gov/pub/irs-pdf/fw4.pdf>

Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

Step 1: Enter Personal Information

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) <input type="checkbox"/> Single or Married filing separately		
<input type="checkbox"/> Married filing jointly or Qualifying surviving spouse		
<input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2-4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, other details, and privacy.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Reserved for future use.
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

TIP: If you have self-employment income, see page 2.

Complete Steps 3-4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3-4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits

If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

Multiply the number of qualifying children under age 17 by \$2,000 \$ _____

Multiply the number of other dependents by \$500 \$ _____

Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here

3 \$

Step 4 (optional): Other Adjustments

(a) **Other income (not from jobs).** If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income

4(a) \$

(b) **Deductions.** If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here

4(b) \$

(c) **Extra withholding.** Enter any additional tax you want withheld each pay period

4(c) \$

Step 5: Sign Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 **and** you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$27,700 if you're married filing jointly or a qualifying surviving spouse; \$20,800 if you're head of household; \$13,850 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

Instructions: Employees who are subject to state withholding should complete the personal allowances worksheet indicating the number of withholding personal exemptions in Block A and the number of dependency credits in Block B.

- Employees must file a new withholding exemption certificate within 10 days if the number of their exemptions decreases, except if the change is the result of the death of a spouse or a dependent.
