What do we do?

The Office of Disability Services assists students with disabilities. We work with the students with documented disabilities to make the most of his/her college career. With the Office of Disability Services, the student receives help to achieve academic goals through many services. These services include academic advising, advocacy, and academic accommodations. And, we provide access to adaptive equipment and computers with specialized software programs.

What services are available to me?

- Interpreting services, captioning services, note-taking services, distraction-free environment, extended time, scribe, reader, tape recorder, assistive technologies/specialized computer programs.
- Test proctoring services are available; however appointments must be made at least 2-3 days prior to test. Please contact preferred location to schedule your placement test and/or regular semester tests.
