D. Special Compensation Provisions for Non-Exempt Classified Employees

- **Unscheduled (Emergency) Office Closures/ Emergency Work Outside of Employee’s Regular Work Schedule**

During unscheduled closures due to emergency conditions, including but not limited to weather, Non-Exempt Classified Facilities staff will generally receive overtime compensation through a cash payment on a time and one-half (1.5 rate). Additionally, Non-Exempt Classified Facilities staff required to perform emergency work during weekday evening/night or weekend hours *outside of the employee’s regular 40-hour weekly work schedule* will generally receive overtime compensation through a cash payment on a time and one-half (1.5 rate). The College reserves the right to amend these provisions as needed.

- **Externally-Funded Events on College-Facilities**

For externally-sponsored events on the College’s facilities for which Non-Exempt Classified Facilities staff presence is paid for by an external organization/entity or funded through external funds, compensation will generally be made through cash payment on a time and one-half (1.5) rate. As a good business practice, efforts will be made to give priority, when possible, to officers who have actually already worked a 40-hour work period. The College reserves the right to amend these provisions as needed.

- **Internal Events on College-Facilities Outside of Employee’s Regular Work Schedule**

For internally-sponsored events on the College’s facilities for which Non-Exempt Classified Facilities staff presence is necessary during weekday evening/night hours or on weekends *outside of the employee’s regular 40-hour weekly work schedule*, compensation will generally be made through cash payment on a time and one-half (1.5) rate. - B. In accordance with [Civil Service Rule 21.6, Compensatory Leave – Crediting and Usage](#), compensatory leave credited to a classified employee may be used by the employee, with the approval of the Appointing Authority, on the date requested unless the leave will cause “unduly disruption” to the College.

- D. In accordance with [Civil Service Rule 21.11, Caps and Required Payment for Overtime Earned at the Hour-for-Hour Rate](#), classified employees who accrue compensatory leave at the *hour-for-hour* rate can accumulate no more than 360 hours, but not more than a total of 360 hours can be carried forward from one fiscal year to the next. However, an appointing authority may request an exception to maintain essential services necessary to preserve the life, health, or welfare of the public. This exception may ask that up to a total of 540 such hours be carried forward to the next fiscal year. Such a request is subject to approval by the Civil Service Commission.

For *non-exempt employees* whose *hour-for-hour* compensatory leave balance exceeds the cap required or granted by an exception as described above, payment must be made within 90 days after the beginning of the fiscal year for the excess compensatory leave. If payment is made, the employee’s hourly rate of pay for: (1) FLSA Overtime will be paid in accordance with FLSA regulations; and (2) State Overtime shall be calculated using the employee’s base pay plus supplement, if applicable, in accordance with [Civil Service Rules: Chapter 21.5\(a\), Basis for the Calculation of Hourly Rate of Pay for Overtime](#).

For *exempt employees* whose *hour-for-hour* compensatory leave balance exceeds the cap required or granted by an exception as described above, payment may be made within 90 days after the beginning of the fiscal year for the excess compensatory leave. If payment is made, the employee's hourly rate of pay shall be calculated using the employee's base pay plus supplement, if applicable, in accordance with [Civil Service Rules: Chapter 21.5\(a\), Basis for the Calculation of Hourly Rate of Pay for Overtime](#). Any excess leave not paid must be cancelled.

- E. In accordance with [Civil Service Rule 21.10, Caps and Required Payment for Overtime Earned at the Time and One-half Rate](#), *non-exempt* and *exempt* classified employees may accrue compensatory leave at the *time and one-half* rate shall accumulate *no more than 240 hours*, the maximum allowed under the [FLSA](#) for state employees not in law enforcement/fire protection/emergency response personnel positions.

Once the maximum balance of compensatory leave earned at the *time and one-half* rate is reached, any additional overtime worked must be paid to the *non-exempt* employee in cash at the time and one-half rate. For *exempt employees* whose time and one-half compensatory leave balance exceeds the cap required or granted by an exception as described in section 6D above, payment may be made within 90 days after the beginning of the fiscal year for the excess compensatory leave. If payment is made, the employee's hourly rate of pay shall be calculated using the employee's base pay plus supplement, if applicable, in accordance with [Civil Service Rules: Chapter 21.5\(a\), Basis for the Calculation of Hourly Rate of Pay for Overtime](#). Any excess leave not paid must be cancelled.

- F. The College may pay the balance of an employee's compensatory time at any time, and the rate of pay shall be calculated in accordance with [Civil Service Rules: Chapter 21, Overtime and Overtime Compensation](#).
- G. In accordance with [FLSA regulations](#) and [Civil Service Rule 21.12, Payment or Cancellation of Compensatory Leave upon Separation or Transfer](#), upon separation or transfer from classified employment at the College, the employee must be paid the higher of (1) his/her final regular rate of pay or (2) the average regular rate during his or her last three years of employment for any compensatory leave remaining when the separation/transfer occurs.
