[Full-time *FLSA-Exempt* Unclassified Employees receive overtime compensation in accordance with the College’s [Compensatory Leave for FLSA-Exempt Non-Faculty Unclassified Employees](#) policy.]

3. **General Provisions**

- C. Non-Exempt Unclassified Employees cannot work overtime without written justification and the prior approval of the (1) immediate supervisor and (2) intermediate supervisor, as applicable, on the [Overtime/ Compensatory Leave Approval Form, Form 2400/005](#).

Prior to working any overtime hour, the employee must seek and receive approval as noted above; however, if the employee believes the situation to be of an emergency nature, and neither the immediate supervisor or intermediate supervisor cannot be reached, the employee may work the overtime. However, the event should be documented in writing and the overtime justified to the immediate supervisor and intermediate supervisor as soon as possible. If the immediate supervisor and/or intermediate supervisor determine(s) that the employee's judgment about working overtime is inappropriate, the employee may be instructed that he or she may not work overtime in the future without specific prior written approval.

When Non-Exempt Unclassified Employees' *hour-for-hour* compensatory leave balance exceeds the cap required or granted by an as described above, payment must be made within 90 days after the beginning of the fiscal year for the excess compensatory leave.
