DELGADO COMMUNITY COLLEGE MISSION

Delgado Community College, a comprehensive community college, offers programs through the Associate degree. The College provides a learning-centered environment through face-to-face and distance education to prepare students from diverse backgrounds to attain their educational, career, and personal goals, to think critically, to demonstrate leadership and to be productive and responsible citizens.

DELGADO COMMUNITY COLLEGE VISION

Delgado Community College is a diverse, dynamic, comprehensive community college committed to student success through innovative leadership, to excellence in teaching and learning, and to the cultural enrichment of the community it serves.

DELGADO COMMUNITY COLLEGE CORE VALUES

We, at Delgado Community College, value:

• The worth of each individual
• Lifelong learning and the pursuit of knowledge
• Excellence in teaching in an accessible learning centered environment
• Meeting the needs of a changing workforce
• The cultural diversity of our students, faculty, staff, and administration
• Public trust, and personal and professional integrity and accountability
• Our responsibility to community, state, nation, and world

PROMOTING POSITIVE HUMAN RELATIONS AT THE COLLEGE

Delgado Community College recognizes that members of the College community represent different groups. The College further acknowledges that these differences must be recognized and respected by all who intend to be a party of the College community.

EQUAL ACCESS EQUAL OPPORTUNITY POLICY

Delgado Community College assures equal opportunity for all persons without regard to race, color, religious or political affiliation, gender identity, sexual orientation, citizenship, national origin, age, disability, marital status or veteran’s status, pregnancy, childbirth and related medical conditions, and the sickle cell trait in the admission to, participation in or employment in programs and activities of the College. Anyone with questions or concerns may contact the College’s Equal Access Equal Opportunity Officer at (504) 762-3004.
PERFORMANCE STANDARDS

Delgado Community College has made a commitment to students and to the community to provide the best service possible. In order to achieve this goal, the College has established certain standards that should help employees meet this commitment. While employed with the College, an employee should follow these guidelines. When an employee fails to meet these guidelines, a supervisor may choose to take disciplinary action. The guidelines should not be construed as complete and the employee should understand that additional standards may be expected.

ATTENDANCE

Work Week

The employee must be present, on the job, for every scheduled workday. Delgado Community College can only operate at optimum efficiency when every employee understands the value of his/her position and accepts this responsibility.

Classified and Unclassified Staff Members

Full-time classified and unclassified staff salaries are based on a 40-hour work week and such employees are expected to be productive on College business during this period.

Teaching Faculty Members

Policy information on work hours, course load, office hours, and college obligations for full-time faculty are outlined in the College’s Workload Requirements for Full-Time Faculty policy.

Flexible Time

From time to time it may be in the best interest of the College for an employee to work hours that are different from the established work week. In these instances, flexible time arrangements may be negotiated on a case-by-case basis between the supervisor and the employee.

Absence

There are two categories of absence: planned and unplanned.
A planned absence must be approved in advance. Planned absences occur when an employee takes vacation, jury duty, leave of absence, compensatory time, or other scheduled absences. Because these absences must be pre-approved by a supervisor, they are generally considered excused. A planned absence may be paid or unpaid.

An unplanned absence is usually an absence due to illness, injury, or emergency. In the event of a need for an unplanned absence, an employee should contact his/her supervisor immediately. A supervisor will determine if an unplanned absence is excused, unexcused, paid, or unpaid.

If the employee fails to contact his/her supervisor about an unplanned absence within a reasonable amount of time or if the reason for absence is unacceptable to the supervisor, then the absence is unexcused and therefore unpaid.

When an employee has an unplanned absence for illness or injury that lasts more than three (3) consecutive days, the employee may be required to provide the supervisor with a medical release from the attending physician stating that the employee is fit to resume regular duties. The supervisor can request a doctor's note from the employee at any time.

**Excessive Absence**

Unplanned absences can occur with such frequency as to become unacceptable. An employee who has excessive unplanned excused absences will be counseled by his/her supervisor, and an employee who has an unplanned unexcused absence will be counseled by the supervisor immediately upon returning to work.

**PUNCTUALITY**

All employees must adhere to their department's standard office hours. An employee is considered tardy is he/she is not at his/her work station, ready to work, by the scheduled time, if an employee is aware that he/she is going to be tardy (i.e., oversleeping) then a call to the supervisor is necessary.

An employee is expected to return from lunch or a break in a timely manner. Breaks are given at the discretion of the supervisor and vary by department or area in which an employee works.

Lunch periods should not exceed the normal time allowed nor should forfeiture of breaks or the lunch period be used to arrive late or leave early. Unexcused tardiness from lunch will result in an employee being counseled by his/her supervisor.

**TIME AND ATTENDANCE RECORDS**

Time and attendance for all Delgado employees will be reported on Bi-Weekly time and Attendance Record forms. Both employee and supervisor will sign this report certifying the correctness of the entries. The Payroll Office will maintain the official copy of all time and attendance records.
CARE

An employee is responsible for taking the greatest care in completing all work accurately. Negligence in the performance of an employee's tasks, dealings with fellow employees, visitors, students or College property displays a blatant disregard for one's work.

REPORTING TO WORK IN AN ACCEPTABLE CONDITION

The employee must report to work in an acceptable condition. All employees should report to work well groomed and dressed appropriately for their department. All employees should show a willingness and ability to perform their job duties in an alert manner. An employee who does not report to work in an acceptable manner will be counseled by his/her supervisor.

STANDARDS OF CONDUCT

The employees of Delgado Community College should always conduct themselves in a dignified and professional manner and must meet the requirements of the LCTCS Code of Conduct policy. Behavior which is incompatible with the mission and goals of the College will not be tolerated.

The following is a list of activities that violate accepted norms to such a degree that they may necessitate separation from employment. All cases involving any of these activities will be reviewed by the Assistant Vice Chancellor for Human Resources on an individual basis to determine what action will be taken.

Theft

Employees should not take the property of other employees, students, visitors, or the College.

Fighting

Fights that take place on the Campus of Delgado Community College will not be tolerated. Self defense is not regarded as a valid excuse for fighting unless it is evident that this is the only way to escape serious physical harm. Fighting includes inciting, provoking, or instigating fights.

Misrepresentation or Falsification of Records

The misuse of employee status or intentional falsification of statements made on the employment application and/or records will not be tolerated. Employees who intentionally misrepresent their attendance on time sheets have committed fraud. Any collaboration by employees to misrepresent or falsify records will be subject to disciplinary action.
Insubordination

An employee is expected to carry out all legitimate or valid orders or requests made by his/her supervisor. An employee who willfully refuses to perform duties as designated by his/her supervisor or who intentionally displays a lack of respect by word or action may be considered insubordinate.

Violations of Law

Any on-campus violations of criminal statutes of the city, state, parish or federal government will not be tolerated.
Section 3: EMPLOYEE CATEGORIES AND BENEFITS

See the Human Resources Office webpage for a full list of employee benefits information.

The College employs individuals within various employment categories. An employee's employment category determines his/her eligibility for benefits as established by the Board of Supervisors for the Louisiana Community and Technical College System, the Louisiana Department of State Civil Service, and the Louisiana Office of Group Benefits.

Eligible employees and their eligible dependents and spouses are granted tuition exemption/reduction only; they are not exempted from student-assessed fees, surcharges or any other related expense.

RETIREMENT BENEFITS

Retirement benefits and contribution requirements for Delgado employees are mandated by the Teachers' Retirement System of Louisiana and the Louisiana State Employees' Retirement System (LASERS). Generally, an employee's employee category and any past contributions to a state retirement plan determine his or her eligibility for retirement benefits. For more specific information regarding retirement benefits, contact the Office of Human Resources.
Section 4: PAYROLL INFORMATION

The Payroll Schedule is published annually in the current Operational Guidelines.

In order to receive a payroll check, new Delgado employees must complete and submit the appropriate forms to the Office of Human Resources. The Office of Human Resources has all forms that must be completed by the new employee and his/her immediate supervisor in order to be paid. These forms include, but are not limited to, state and federal tax forms, general information forms, applications, and employment eligibility forms. It is important that the appropriate forms are completed thoroughly and correctly in order for new employees to be paid properly and in a timely fashion. In addition, each employee must complete biweekly time entry by the deadline established for each pay period documenting his/her time and attendance in order to be paid.

PAYROLL FREQUENCY

12-Month Faculty, Unclassified Staff and Classified Staff

12-Month Faculty, Unclassified Staff and Classified Staff members are paid on a biweekly basis over the fiscal year beginning July 1 and ending June 30.

9-Month Faculty

Most members of the faculty are paid on a biweekly basis over their academic term. As a convenience, prior to the start of each academic year, all 9 month faculty members are offered the option to be paid over their appointed academic term or over a 12-month period. The latter option is called the "Salary Deferred-Payback" option. If a faculty member chooses this option, his/her actual gross earnings will be reflected on his/her biweekly check stub at the end of the academic term, and a deduction will be taken from his/her check for future payback during the summer months. For additional clarification, see the "Salary Deferred Payback" section which follows.

Adjunct Faculty

Adjunct faculty members are paid according to the terms of their part-time agreements in accordance with the published adjunct pay schedule for each semester.

SALARY-DEFERRED PAYBACK

A 9 month faculty member who chooses to be paid over 12 months will have his/her full gross salary reflected on his/her payroll check stub as of the end of his/her 9-, 10-, or 11-month academic term. The payroll check stub will reflect the actual amount earned up to each payroll check during the academic year. A miscellaneous deduction will be shown on the check stub which reflects the amount which is being withheld from gross earnings for payback to the faculty member over the off month(s) in the following summer.
With this option, deductions which are calculated as a percentage of gross earnings, like retirement and union dues, will be withheld over 9-month earnings period only, and, therefore, those deductions will not be taken from summer payback checks. All other deductions, such as those made for insurance and credit unions, will be taken on a biweekly basis throughout the summer payback period.

WITHHOLDING TAXES

Federal and State Taxes

Each employee is subject to pay federal withholding taxes based on the information provided on the Form W-4. Federal tax withholdings are taken in accordance with the most recent Internal Revenue Service Circular and are calculated based on annual earnings. It is important that all employees complete a Form W-4 in order to be paid properly. If a Form W-4 is not on file for an employee, the maximum tax deduction will be made from the employee’s payroll check based on the Circular.

Each employee is subject to pay state withholding taxes based on the information provided on the employee's Form L-4. The Form L-4 indicates the number of withholding exemptions and credits claimed. State tax withholding is taken in accordance with the most recently completed Form L-4 on file in the Office of Human Resources. State taxes will be withheld at the maximum amount allowed if no Form L-4 is on file.

For any employee wishing to claim exemption from federal withholding taxes or state withholding taxes, a new Form W-4 and/or L-4 must be submitted to the Payroll Office at the beginning of each calendar year declaring the employee’s intent to be exempt. If a new form is not received at the beginning of each calendar year, withholding taxes will be resumed at the maximum amount allowed as required by federal and state law.

FICA

If an employee is subject to contribute to the FICA (Federal Insurance Compensation Act) system, which is the combined current social security tax rate and the current Medicare tax rate, the employee must pay the current percentage of his/her gross taxable wage base up to the current salary level established by Congress.

Medicare Taxes

Employees who qualify for a state retirement plan must pay Medicare taxes. There is no limit on the wages subject to the Medicare tax, and, therefore, all covered wages are subject to the current Medicare tax rate.

RETIREMENT CONTRIBUTIONS

The percentage contribution of each employee to his/her retirement plan is matched with a certain percentage by the College. Annually, the percentages for the State Retirement Plan, Teachers' Retirement Plan, and the Optional Retirement Plan (ORP) are set by each plan. For more specific information regarding retirement contributions, contact the Office of Human Resources.
RECOGNITION OF ACADEMIC AND PROFESSIONAL DEVELOPMENT

The College provides the opportunity for employees to continue their professional development throughout their career. This includes recognizing academic study at the undergraduate or graduate level, as well as other job-relevant study such as workshops or seminars.

To encourage such activities the College provides professional leave and travel reimbursements, awards minigrants for worthwhile proposals, considers such activities in faculty promotion criteria, and awards sabbatical leave (with pay) to faculty for the purpose of advanced study, research, or travel for the purposes of study or research. In addition, the College designs opportunities for professional development throughout the academic year.

Additionally, full-time employees may be granted released time to take one work-related 3-hour course at Delgado during assigned working hours if the course does not interfere with job performance. To do so, an employee must complete and have approved a Request for Released Time to Attend Class Form, Form 1412/001. For more information contact Office of Human Resources.

PROFESSIONAL LEAVE AND TRAVEL

Employees can take advantage of professional leave and travel which may be granted for attendance at conferences, workshops, and seminars; however, professional leave and travel must be relevant to the employee's job responsibilities and should accrue benefits to the College. For more specific information, see the College’s policy on Professional Leave and Travel.

COLLEGE-SPONSORED WORKSHOPS, SEMINARS & TRAINING

With the support and recommendations of the College’s Faculty and Staff Professional Development Committee, the Office of Faculty and Staff Development designs faculty and staff opportunities for professional development activities during Convocations and throughout the academic year. These include, but are not limited to training workshops, seminars, and teleconferences. For information regarding these opportunities, contact the Office of Faculty and Staff Development.

For employment-related topics, the Office of Human Resources schedules training workshops, seminars, and teleconferences through the year. For information regarding these offerings, contact the Office of Human Resources.
PERFORMANCE EVALUATION OF UNCLASSIFIED STAFF

The evaluation process should provide a climate for encouraging each employee to reach his/her maximum potential. The goal of an evaluation is to ensure fairness and equity of performance appraisal through the establishment of mutual trust and open communication.

Implicit in evaluation is the idea that expectations are clearly defined, written, discussed and agreed upon the individual and the supervisor. The ultimate value of evaluation is overall improvement of the individual and the College. The College has adopted the LCTCS Professional/Administrative Evaluation and Planning Form for Unclassified Employees Form for its annual unclassified evaluation process.

It may be expected, however, that misunderstandings or dissatisfaction may occur in day-to-day relationships between employees or between employees and their supervisors. The College recognizes the right of its employees to express themselves and request solutions concerning disagreements between themselves and their supervisors, without fear of the loss of position or status. The Office of Human Resources is available to any employee, supervisor, or department head for consultation before, during, or following any of the steps of the grievance process.

Quick and equitable resolution of differences is considered most desirable at the level of the employee and his/her immediate supervisor whenever possible. Open communication is encouraged between supervisors and employees in order that differences can be resolved before they become grievances.

The College maintains that regulations that prohibit exclusion and discrimination on the basis of disability may necessitate different or special treatment of persons with disabilities. Services and benefits should be equally as effective or equivalent to those provided to others. Services and benefits to persons with disabilities must be in the most integrated setting appropriate to the persons' needs in order to be non-discriminatory. For more information see the College’s [Persons with Disabilities](#) policy.

VIOLENCE IN THE WORKPLACE

Employees are Delgado Community College’s most valuable resource and their safety and security are essential to carrying out their responsibilities.
