Data Dictionary (Last Revised: February 2025)

Keyword	Definition	SQL Table(s)	Data Specs	Banner Screen(s)	Data Steward/ Owner	Notes
Abandoned Registration ("Abandoned Cart Student")	Student was registered for a given term but has un-registered by census date.	SFRSTCA	Records in the table occurring prior to census and whose latest entries are not 'RE' or 'RW'; SOURCE_CODE = 'BASE'	SFASTCA	Michelle/ Maria	Term-specific. A major black hole in enrollment management ---- students register for courses and then disappear.
Account Balance	Student's overall account balance	TBRACCD	sum(tbraccd_balance) where tbraccd_vpdi_code = 'DCC'	TSAAREV	Amy	
Admitted Student	Complete application with Decision.	SARADAP	APST_CODE = 'D'	SAAADMS	Michelle	Term-specific
Applied Student	Student has completed application and application has been transmitted to Banner.	SARAPPD	Record in SARAPPD	SAACDRV	Michelle	Term-specific
Attempted Registration	Student attempted to register but encountered a barrier that prevented registering.	SFRSTCA	RSTS_CODE in ('RE', 'RW') with TEMP instead of BASE, with no BASE records	SFASTCA	Maria	Student can be prevented from registering in a course because of pre-requisite/test score missing; or already in too many credit hours; probation status; student needs to reapply/be admitted again; time conflict/schedule, etc. Per Maria, it can usually be seen in the Banner data why the registration was prevented.
Completers (BOR)	Student who has received a Board of Regents approved award (inclusive of exit points).	SHRDGMR	shrdgmr_degs_code in ('AW', 'AA', 'AT', 'CE', 'EA', 'RT')	SHADEGR	Maria	BOR completions are more restrictive than LCTCS. At this time BOR does not regard IBC's as completions.
Completers (LCTCS)	Student who has received a Board of Regents approved award (above), or an IBC (see note at right).	SHRDGMR	for credit awards: shrdgmr_degs_code in ('AW', 'AA', 'AT', 'CE', 'EA', 'RT'); for IBC's: lctcs_freeze.az_ibc_outcome (LCTCS frozen table) and vpdi_code = 'DCC'	SHADEGR	Maria	Currently, the "Our Promise" initiative of LCTCS counts IBC earners as completers. But IBC's are not counted as completions by Board of Regents or the U.S. Dept of Education.
Course Dropped	Student deleted a course from their schedule prior to census date	SFRSTCA	SFRSTCA_RSTS_CODE in ('DR') and SFRSTCA_SOURCE_CODE = 'BASE'	SFASTCA	Maria	
Course Reinstated	Student was on census and withdrawn afterward, then put back on roster by Registrar	SFRSTCA	Student initially has SFRSTCA_RSTS_CODE in ('RE', 'RW'), then after census date SFRSTCA_RSTS_CODE like 'W%', with a <u>subsequent</u> change of SFRSTCA_RSTS_CODE to 'RE'; SFRSTCA_SOURCE_CODE = 'BASE'	SFASTCA	Maria	Differs from a student being re-added to a course when they drop prior to census and are not shown on census
Course Section Type	Indicates delivery mode for the course (Face-to-Face; Online; Hybrid; Virtual)	SSBSECT	https://www.dcc.edu/student-services/registrar/registration-information/codes.aspx	SSASECT	Maria	"Online" courses are always 100% online. In other words, no courses listed as online are not 100% online.
Course Withdrawn	Student withdrew from a course after census date and will receive a 'W' for the course on their transcript	SFRSTCR	SFRSTCR_RSTS_CODE in ('WW') and SFRSTCR_GRDE_CODE = 'W'	SFAREGS	Maria	
Current Due Balance	Balance a student must pay in order to enroll in given/current term	TBRACCD	sum(tbraccd_balance) where tbraccd_term_code <= :TERM_CODE and tbraccd_vpdi_code = 'DCC'	TSAAREV	Amy	
Do Not Contact	Student has indicated they do not wish to be solicited by the College	SPRCMNT	sprcmnt_cmtt_code = 'DNC' and sprcmnt_orig_code like 'F%'	SPACMNT	Maria	
Email (for Employee)	Employee's dcc.edu email address, unless request is for preferred/ personal	GOREMAL	See APPENDIX 1 below	SPAIDEN	Various	
Email (Student, Campus)	Student's dcc.edu email address	GOREMAL	See APPENDIX 1 below	SPAIDEN	Maria	Practices in flux for assigning DCC email to new students
Email (Student, Preferred)	Email Address indicated by student as their preferred	GOREMAL	See APPENDIX 1 below	SPAIDEN	Maria	Widely understood that Preferred Address is better for communications
Enrolled Student (credit)	Student who <u>is</u> or <u>was</u> registered in 1+ credit-earning courses. Subject to further specification:	***Multiple Ways to Classify, Depending on Time Window and Context***				Term-specific. Makes no special distinction for workforce development/adult ed students.
	Student is <u>currently</u> registered in at least one ongoing for-credit course (active enrollment). Excludes withdrawn and dropped students.	SFRSTCR / SCBCRSE	RSTS_CODE in ('RE', 'RW', 'AU'); SUBJ_CODE not like 'Y%'	SFAREGS / SCACRSE	Maria	Queries and communications regarding <u>current</u> students typically fall into this category.
	Student was enrolled in 1+ course through census date, and was or will be given a transcript mark. Includes withdrawn students.	SFRSTCR	RSTS_CODE in ('RE', 'RW', 'AU', 'AW', 'W1', 'W2', 'W3', 'W4', 'WA', 'WD', 'WI', 'WM', 'WN', 'WP', 'WS', 'WT', 'WW'); SUBJ_CODE not like 'Y%'	SFAREGS	Maria	Ordinarily, a student set extracted for a <u>past</u> semester belongs to this category. Board of Regents regards enrollment according to this definition.
First-Generation Student	Student identifies as First-Generation in admission application, OR student indicates in application that neither parent graduated from college.	SARQUAN	sarquan_vpdi_code = 'DCC' and ((sarquan_question = "Did either of your parents attend college?" and sarquan_answer = "No") or (sarquan_question = "Are you a first generation student?" and sarquan_answer = "Yes") or (sarquan_question = "What is the highest level of education completed by any parent/guardian?" and sarquan_answer in ('High School Certification of Completion', 'GED/HiSet', 'High School Diploma', 'Some College', 'Some High School', 'No High School'))	SAAADMS	Michelle	As of 2024, some institutional effort to improve this measure is in progress.
Graduate	Student who has completed a Board of Regents-approved award and left the College.	SHRDGMR	shrdgmr_degs_code in ('AW', 'AA', 'AT', 'CE', 'EA', 'RT')	SHADEGR	Maria	Depending on context (but not often), "graduates" are sometimes further specified as completers of a terminal award (associate, technical diploma, post-associate certificate, and some certificates). <i>Every graduate is a completer, but not all completers are considered graduates. It is likely best to avoid using this term because of the ambiguity.</i>
Incomplete Application	Student applies in LCTCS system (third party app) either without finishing and signing; or a hold is encountered; application does not get transmitted to Banner.	(LCTCS)	-	-	-	The application portal is not a Banner product and is managed by LCTCS. Only completed applications go to Banner.
Prior Balance	Computed value. Student's account balance for semesters preceding given term	TBRACCD	sum(tbraccd_balance) where tbraccd_term_code < :TERM_CODE and tbraccd_vpdi_code = 'DCC'	TSAAREV	Amy	
Prospect	In general, anyone expressing interest in DCC who has not applied; or who was lost in a previous enrollment cycle.	***Multiple Individually Satisfying Conditions***				Michelle has exhaustive documentation of where and how the data sources are stored. Often term-specific, but this is becoming less common.
	Anyone expressing interest in DCC during last 2 years.	(Recruit)	1. Record in Recruit	-	Michelle	Recruit is the primary database, but with some exceptions (below).
	Student who applies and doesn't enroll (for a past semester).	SARAPPD / SFRSTCR	2. Record in SARAPPD but lacking entries in SFRSTCR for the term	SAACDRV / SFAREGS	Michelle	Student converts from applicant to prospect after enrollment window passes.
	Non-persisted (stopped out) students after they fail to re-enroll for a definite time.	SFRSTCR / SHRDGMR	3. Record(s) in SFRSTCR for past terms, but no entries in SHRDGMR	SFAREGS / SHADEGR	Michelle

Veteran Student	See notes at right and APPENDIX 3	-	See APPENDIX 3	-	Stacey Robertson / Peter Brandt / Traci Trimble	At this time the College does not have official data specs for <u>Veteran students</u> . We do have the ability to identify students receiving VA benefits, but this is only a subgroup of veterans. The College only confirms <u>Veteran status</u> when the student submits a DD214 form to Stacey/Peter's office. The most official external reporting the College does regarding Veteran students is the "Governor's Military and Veteran Friendly Campus" report submitted annually to BOR by Stacey . This is based on students who self-report and furnish the DD214.

Effectively, any term code is always active, with the records in it subject to change. As of 2024, Workforce has been advised to use 05 term codes where possible.</u>

APPENDIX 1: Email Addresses

Per Section 3.6 of Delgado's *Information Technology Security Policy*, student email communication should default to the student's Preferred Email address indicated in the student's LOLA account. The code samples below are common ways student and employee email are retrieved, depending on need.

APPENDIX 2: Telephone Number

Reporting logic depends on the need. The College does not have standardized definitions for this data item. The following are methods often used for retrieving telephone number.

FOR TEXTING

Retrieves the primary telephone number among phone types CEL, PC, and referring to the one most recently added. If no primary telephone indicator then retrieve in the order of CEL, PC.

Select

```
CASE WHEN DerTelePrime.SPRTELE_PHONE_NUMBER is not null THEN DertelePrime.Sprtele_Phone_Area || DerTelePrime.SPRTELE_PHONE_NUMBER
      else derteleactv.sprtele_phone_area || derteleactv.sprtele_phone_number end as PHONE,
```

from .. spriden

LEFT JOIN

(Select * From

```
(SELECT SPRTELE_PIDM,SPRTELE_TELE_CODE,SPRTELE_PHONE_AREA,SPRTELE_PHONE_NUMBER,
  row_number() Over (Partition BY SPRTELE_PIDM Order By DECODE(SPRTELE_TELE_CODE,'PC', 1, 'CEL', 2)
  || SPRTELE_ADDR_SEQNO DESC) TeleRankPrime
```

FROM SPRTELE

Where (SPRTELE_TELE_CODE IN ('PC', 'CEL'))

and (SPRTELE_STATUS_IND is null)

and (SPRTELE_PRIMARY_IND = 'Y'))

Where TeleRankPrime = 1) DerTelePrime ON spriden_pidm = DerTelePrime.SPRTELE_PIDM

LEFT JOIN

(Select * From

```
(SELECT SPRTELE_PIDM,SPRTELE_TELE_CODE,SPRTELE_PHONE_AREA,SPRTELE_PHONE_NUMBER,
  row_number() Over (Partition BY SPRTELE_PIDM Order By DECODE(SPRTELE_TELE_CODE, 'PC', 1, 'CEL', 2)
  || SPRTELE_ADDR_SEQNO DESC) TeleRankActv
```

FROM SPRTELE Where (SPRTELE_TELE_CODE IN ('PC', 'CEL'))

and (SPRTELE_STATUS_IND is null)) Where TeleRankActv = 1) DerTeleActv ON spriden_pidm = DerTeleActv.SPRTELE_PIDM

ALL PHONE NUMBERS

Retrieves the primary telephone indicator among phone types CEL, PC, HM, PR, MA , and referring to the one most recently added. If no primary telephone indicator exists, then retrieve in the order of phone type: CEL, PC, HM, PR, MA.

Select

```
CASE WHEN DerTelePrime.SPRTELE_PHONE_NUMBER is not null THEN DertelePrime.Sprtele_Phone_Area || DerTelePrime.SPRTELE_PHONE_NUMBER
      else derteleactv.sprtele_phone_area || derteleactv.sprtele_phone_number end as PHONE,
```

from .. spriden

LEFT JOIN

(Select * From

```
(SELECT SPRTELE_PIDM,SPRTELE_TELE_CODE,SPRTELE_PHONE_AREA,SPRTELE_PHONE_NUMBER,
  row_number() Over (Partition BY SPRTELE_PIDM Order By DECODE(SPRTELE_TELE_CODE,'MA', 1, 'PR', 2, 'HM', 3, 'PC', 4, 'CEL', 5)
  || SPRTELE_ADDR_SEQNO DESC) TeleRankPrime
```

FROM SPRTELE

Where (SPRTELE_TELE_CODE IN ('HM','PR','MA','PC', 'CEL'))

and (SPRTELE_STATUS_IND is null)

and (SPRTELE_PRIMARY_IND = 'Y'))

Where TeleRankPrime = 1) DerTelePrime ON spriden_pidm = DerTelePrime.SPRTELE_PIDM

LEFT JOIN

```
(SELECT SPRTELE_PIDM,SPRTELE_TELE_CODE,SPRTELE_PHONE_AREA,SPRTELE_PHONE_NUMBER,
  row_number() Over (Partition BY SPRTELE_PIDM Order By DECODE(SPRTELE_TELE_CODE, 'MA', 1, 'PR', 2, 'HM', 3, 'PC', 4, 'CEL', 5)
  || SPRTELE_ADDR_SEQNO DESC) TeleRankActv
```

FROM SPRTELE

Where (SPRTELE_TELE_CODE IN ('HM','PR','MA','PC', 'CEL'))

and (SPRTELE_STATUS_IND is null))

Where TeleRankActv = 1) DerTeleActv ON spriden_pidm = DerTeleActv.SPRTELE_PIDM

APPENDIX 3: Veteran Students

Reporting logic: the College does not have standardized definitions for this data item. The state legislature has published some guidance defining Veterans (below), but Delgado does not report on all categories specified. ***For tasks that require an official number, the suggested approach is to use the number/population Stacey Robertson reports to BOR annually, given that Board of Regents is the certifying body for the College's enrollment and graduation data.*** Alternately, a widely accepted method in the LCTCS system is to count as Veterans students those who self-report this status in the application for admission. Below are details regarding how these data are documented.

VETERAN STUDENT (reported to BOR)

Board of Regents defines a veteran student as a student with military service.

In more technical terms pertaining to Delgado: the student indicates Veteran status on application, and furnishes form DD214 to Stacey/Peter's office. DD214 serves as documentation of service and discharge status. **The College does not have other means of identifying Veterans per se.** There is no mechanism to ensure every Veteran student is identified. There is no vetting of students who self-report, unless they provide the DD214.

The following screen shot is from the Board of Regents specs pertaining to reporting for "Governor's Military and Veteran Friendly Campus" (<https://www.laregents.edu/wp-content/uploads/2022/10/2022-Governors-Military-and-Veteran-Friendly-Campus-Report.pdf>):

R.S. 13:5364 defines "veteran" for purposes of this law as a *former or current member of the U.S. Armed Forces or organized militia of the several states and territories, including but not limited to a member of the Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard, Air National Guard, Reserves, State Guard, or a commissioned officer of the Public Health Service, Environmental Science Services Administration, or National Oceanic and Atmospheric Administration, or its predecessor, the U.S. Coast and Geodetic Survey.*

Institutions must have a method in place to identify and verify military members/ veterans and their spouses (or dependents, which would include the spouse) in the student record system.

STUDENT RECEIVING VA BENEFIT (certification processed internally at Delgado)

Student receiving VA benefits (via financial aid); status initially processed through Peter Brandt. Note: not every Veteran student self-identifies to the College. And not every Veteran student uses their VA benefits (or has eligible benefits to use). Therefore, students receiving VA benefits should be considered a subset of Veteran students. These are also a distinct student pool from Active Duty students. Peter Brandt's office only deals with Veteran students (with DD214 in hand) who receive VA benefits.

VETERAN STUDENT (self-reported by student in application)

Student answered 'Yes' to the relevant questions in admissions application ("Are you a military veteran?"; "Are you a Protected Veteran?"; "Are you a veteran of the U.S. Military?"; "Are you serving or have you served in the US Armed Forces?"; etc). Data are housed in the Banner screen SAAADMS (SQL table SARQUAN).

APPENDIX 4: Types of Military Payments Received on Behalf of Military-Associated Students

Types of Aid/Payment/Waiver for Military Students and Related Groups

<u>Description</u>	<u>Which Students Receive it</u>	<u>Office(s) Who Handle</u>	<u>Type of Payment/ Transaction</u>
