SAFETY COUNCIL

Function of the Safety Council

The Safety Council is the primary planning and advisory group for the College's safety program. The Chancellor has designated a Safety and Risk Manager who coordinates all components of the program. The College Safety and Risk Manager serves as chair of the Council. The Safety Council:

1. Addresses all components of the college-wide safety program, and makes policy and procedural recommendations for improvement on an ongoing basis;

2. Serves as an advisory group to the College Safety and Risk Manager in the coordination of the safety program; and

3. Provides opportunity for representation of Campus/Site Safety Committee issues, challenges and recommendations.
